

Praise The LORD!

This *exclusive edition* of the *repentance and holiness* publication is designed to address some key issues that have of late become *pertinent* in defining the very *core* of christian *salvation* as we know it today. It marks the *eleventh* production in a sequence of periodicals that have continued to intrepidly *journal* GOD's *Oracles* for this hour, ever since the *historic* inauguration of this *giant* ministry of *repentance & holiness*. This special *version* however presents a novel *assemblage* of *virtuous* oracles whose primary objective is to address some serious concerns that have lately defined the current *flawed* condition of the church. Moreover, it also contains a *collection* of novel articles of prophecies that have today shaken the earth to its very core, upon their accurate fulfilment. The formidable events that have been *diligently* chronicled here include the fulfilment of prophecies that foretold the coming of severe distresses such as the dreadful global

Ebola outbreak, the emergence of the Islamic State (ISIL), the war in Syria, Libya, among others. This *exceptional* publication also presents a one-of-a-kind profound insight into the historic and monumental December 31st 2012 visitation of the CLOUD OF THE GODHEAD that descended upon the Kisumu revival meeting. It is a landmark visitation that has today become yet another vivid reminder that the coming of the Messiah is a reality that the inhabitants of this post-modern earth have to grapple with, since it has definitely drawn nearer. In addressing the message that the CLOUD OF GOD has brought into the tabernacle of christian worship, this magazine goes a long way to underscore just how near the *close of time* has drawn, and the need for christian believers to change their *course* back to a holy living. And because the periodic recurrence of divine *incarnations* is a part of GOD's creative enterprise, signs such as the visitation of HIS CLOUD are carefully

imprinted into GOD's Grand Master Plan for the church. In all this, it is noteworthy that *sages*, through their awakened soul *intuition*, are the ones who can read these heavenly inscriptions, and if it be in accordance with GOD's will, that such a future constellation of events be made known to men, they then prophesy in plain and at times in *veiled* revelation. This is indeed one of the ways in which the LORD assures HIS children of HIS awareness of their perpetual need for HIS presence amongst them. Moreover, of the glorious coming of the Messiah, several references are cited by devout Seers including the Prophet Isaiah. That rather HE chose to make HIMSELF known through the divinity in worthy instruments, the LORD fashioned a form in which HE then designed to dwell among HIS creation through Christ Jesus the LORD, and now this MIGHTY CLOUD OF HIS GLORY. This form has today been revealed in the presence of the CLOUD OF HIS GLORY that visited Kisumu on December 31st, 2012,

thereby forming the theme of this scroll. Consequently, this visitation of the CLOUD OF GOD being celebrated here, greatly highlights that divine *intercession* to mitigate the law of cause and effect, by which a man suffers awful *penalty* for his *errors*, was indeed at the very heart of the mission of the love that Jesus came fulfil. Whilst Moses may have brought the law from GOD to man, by emphasizing the awful *justice* that befalls wilful *heedlessness*, Jesus on the other hand *overruled* that, when HE came to demonstrate the *forgiveness* and *compassion* of GOD, whose love is a refuge even from *Exacting Law*. Thus in *arcane* terminology, the message brought by this CLOUD OF GOD, does vividly *evinced* the highest degree of divine *realization*, that makes known to

man the deep *esoteric* truth that was *experienced* and *transferred* at the Calvary Cross. However, today the Holy Spirit presents this *truth* taught by Jesus, from the point of view of an inward *intuitive* realization through this visitation of the CLOUD OF GOD. "*Father, forgive them; for they know not what they do*"; with these *astounding* words, Jesus placed HIS *signature* onto a *unique* life that *enthroned* HIM everlasting on the altar of *worshipful* hearts, as the *incarnation* of GOD's loving *grace* and *compassion* of *forgiveness*. The GOOD SHEPHERD OF SOULS, then opened HIS arms to all, indeed rejecting none, and with HIS universal love *convinced* the whole known wide world to follow HIM on the blood-stained path to *eternity*. This HE achieved through HIS lasting example

of *sacrifice, renunciation of sin, forgiveness of mistakes, love* for friend and enemy alike, and the *Supreme Love* for GOD ALMIGHTY, above all else. Such a monumental visitation of this calibre, is what hence testifies that Christ Jesus indeed lived among men as one of them, that they too might one day learn to *fear* GOD ALMIGHTY, and hence receive an *invitation* of entry into the kingdom of GOD. In a build-up to this, now GOD THE FATHER has today come to live in the Tabernacle of men, in order to navigate them through a *holy pilgrimage* to heaven. To the extent that mere *mortals* like the church can now cope with life of *unsolvable* mysteries of this CLOUD, and in an *inscrutable* universe created by the Omnipotence of GOD; this offers yet

another *classic* moment when the earth is once more confronted with the question of total *submission* to the Supremacy of GOD THE FATHER. It must have surely taken the BLOOD of Jesus for GOD ALMIGHTY to openly reveal unto mankind HIS *Divine Blessing* in this CLOUD. Of the OMNISCIENT essence of HIS OMNIPRESENCE, would indeed an overwhelming challenge be, were it not for HIS divine *Emissary* Jesus, who came to earth to unveil the *voice* and *authority* of GOD THE CREATOR whose *epic* visitation has now befallen the church. For the guidance of *errored* man, the LORD Jesus did this in order that one day the *sinful* church may also qualify to enter the wedding feast of the Lamb, not by their *works* but by HIS unmatched compassion of *Grace*. Indeed, the visitation of the CLOUD OF THE GODHEAD *chronicled* in this remarkable *Oracle*, is the pure testimony that Christ, the beloved Son of GOD didst embark on a *storm-tossed* sea of *prejudiced* minds, and their *cruel-thought* waves bitterly lashed HIS tender heart, yet prevailed HE at the end of it all (Isaiah 53:1-12). And yet in it all, it is a resounding testimony that the *trial* on the Cross scored an immortal *victory* of *humility* over *force*, and *soul* over *flesh*, thereby *reconciling* man with his CREATOR. It marks a particular *fête* on the Cross at Calvary, that finally permitted the GODHEAD

HIMSELF to descend in the CLOUD OF HIS GLORY on that December 31st, 2012, in order to testify that the coming of the Messiah has drawn close. By mercies unspoken, now the LORD *rescinds* secrecy, and comes forth in PERSON in this CLOUD OF HIS GLORY to *alert* mankind of the *preparedness* hour in the nigh. Truly, this *titanic* visitation of the GODHEAD HIMSELF in the CLOUD OF HIS GLORY is what holds the key to revealing the *sagacious* compassion of GOD's *Agape* love, for today's *sinful* and *fallen* church, their *insubordination* notwithstanding. Again, like it was at the *inception* of Jesus in the Bethlehem manger, when the fullness of the time was come to *redeem* them, that which was under the curse of sin, GOD has now sent this end visitation of the CLOUD that the church might receive the *adoption* of sons. But, in conjunction with other visitations enlisted here, the CLOUD OF GOD also resounds a *clarion* call to *repentance*, because when the fulfilment of the promised return of the Messiah *tarried*, the church has recently gone *adrift* into sin, as though they enjoyed a form of vile *impunity*. Here too, our memories are indeed rekindled of the refreshing time in Israel when the systems of *heathenism* were eventually losing their hold upon GOD's people, and common men of common occupation were weary of *paganism*,

and the *occult* of the day. What particularly rendered exhausted the Israelites with the occult of the day, was the fact that such vain religions were deeply *entrenched* in *pageants* and *fables*, and yet lacking in real substance that can quench the thirst of a dying soul! With the realization that eternal doom was now dawning large, they wept so aloud from the inside of their hearts, while longing for a form of religion that would one day satisfy the deeper hunger of their *desperate* souls. While the *Light* of the truth seemed to have departed from among the Israelites then, there were nevertheless some devout *remnant* souls who engaged in a relentless pursuit for that *Light*. It is this remnant meek that were particularly filled with a profound sense of *perplexity* and *sorrow*, especially having encountered JEHOVAH their GOD in the past, and the full *glamour* of HIS *power*. The present-day church too finds herself in this *weary* place at which she is virtually *exhausted* of the current *allegories* and empty rhetoric in the *pascal* Sunday services of *prosperity* that today *reign* high at the pulpit. For Israel, the more this darkness *consummated* in the House of the LORD, the more they were thirsting for the *knowledge* of their Living GOD and for some little *assurance* of life beyond the *graves*. In today's church, worship services have greatly

degenerated into large-scale *stage-production* that chiefly represent *legendary* and *traditional events*, and Hollywood-style *tableaux* in which the *holiness* requirements of the LORD have now become less important than the dramatic spectacle of human entertainment! This intervention by the CLOUD OF THE GODHEAD HIMSELF is what greatly attests to the fact that church services have indeed largely *deteriorated* into worldly elaboration of *pomp* and colourful processional displays, that celebrate ceremonial value, rather than the true *righteous* worship in the Holy Spirit. It is this *Vegas-style* of casino *churching* that has today entrenched the *shelling* of large sums of cash at the pulpit, in the hope that the worshipper would *retrieve* some kind of benefits down the line. This is the abominable sin of *idolatry* that the present-day House of the LORD has committed, thereby killing the *worship* in the hearts of the believers. It is thus the reason that when the LORD remembered the church once more, and the greatest *sacrifice* of the Cross that HE already lavished her with, HE literally came down HIMSELF in the CLOUD OF HIS GLORY on that December 31st, 2012 to underscore the eternal gains that were achieved through that *suffering*. This has since

become the greatest *milestone* yet, and a *watershed* moment of *hope* and *renewal* in the church. It is indeed a great privilege for the LORD to launch this exceptional *Issue* as the *Center Mouthpiece* of heaven, at this most *critical hour* in the history of christianity. Therefore, the exclusive *platform* that this *scroll* provides, particularly exalts this *monumental* visitation of the CLOUD OF GOD as the true *masterpiece* of the religion of the Cross. The *descent* of this most celebrated CLOUD OF GOD from heaven marks a *historic* juncture that *calibrates* not only our time, but also highlights the tail-end of GOD's *prophetic timeline*, and the *ticking-away* of the *countdown* towards the coming of the Messiah. In HIS *unrelenting* conversation then, it is truly incredible that the LORD has now *fashioned* and fully established unto HIMSELF this *portal* as the main *conduit* of instructing the present-day church world-over. Thus, not only has this channel become an important *conduit* for *transmitting* HIS sacred *oracles*, but also a novel means of effectively *disseminating* HIS repentance *INSTRUCTION* to the present-day church that she may one day meet the essentials that heaven holds so dear for *rapture*. It thus presents a significant

challenge to the present status-quo of *apostasy* in the church, and indeed underscores a fundamental *shift* in the heavenly realm owing to the fact that the *visitation* of this CLOUD no doubt comes as a serious command to the House, regarding *preparing the way* for the coming of the Messiah. To this end, all the *revelation* in this publication have been specifically geared to *facilitate* the return of the present-day christian back to the cherished *purity*, *righteousness* and a *holy lifestyle*, as GOD's irreducible benchmarks for entering the *rapture*. It is these godly *virtues* that go a long way to form the central *cornerstone* upon which christian *spiritual growth* towards maturity can be achieved within the Body of Christ in these *perilous* last days. Additionally, the *conversations* outlined here also clearly highlight the *dreams* and *visions* of GOD MOST HIGH, with the deliberate purpose of calling man's attention to the significance they relay on the need to embrace the most critical *holiness* reforms in this *endtime dispensation*. It hence presents this *portal* as a unique *podium* of its kind, for the *re-anchoring* of the message of *repentance* back to the core of church, as the only central *dogma* for delivering *righteousness* back to the hearts of the believers. While *post-modernism* may

have *entrenched* its ugly *footprint* into this present generation, it is however even much more *deplorable* to see that the *indelible salvation* of the Cross, has equally been *dented*! The preaching of *money for earthly prosperity* is what has today largely defined the major *hallmark* of the present-day pastor and made their ministries *culpable*. The overall consequence of this *apostasy*, and lack of *deliverance*, is what has birthed out a *blameworthy* church that has steadily and consistently *drifted* away from the *core values* of the LORD. As a result, today all actors in the church appear to have *sidelined* the original *holy salvation* of the *Cross* and the *Blood*, and opted for a modern *mellow* gospel of *prosperity* which inevitably does not *abate* sin. Instead of preaching *holiness* which is GOD'S *writ* to humanity, the clamour for quick *earthly gains* has today robbed the LORD of worship, and become the central *creed* of the believer's *hymn*. It is this false *doctrine of money* that has today fully *installed* spiritual *numbness* in the church, to the extent that *sexual immorality* at the pulpit is no longer *abhorred* as an *abomination*, and goes on virtually *unrebuked* in this modern church. Not surprisingly then, *sexual sin* has therefore *infected* and *spread wide*

into not only the congregation, but also the pulpit. *False prophets* and *false apostles* have equally *chiselled* their mark on this generation by claiming the mainline *trademark* of the present-day church. While *sexual scandals* at the pulpit have become the order of the day in the current church of Christ, *witchdoctors* on the other hand have not been left out in so far as the defiling of the body of Christ is concerned. This spiritual *decomposition* has particularly been *aggravated* by the *escapist and non-committal* liberal theology that is being *churned* out in all bible and theological colleges. Unfortunately, this is the *decayed* message that is being *vigorously dispensed* across all the global christian television networks. As a result, the poor flock have been compelled to at times consider consulting *witchcraft* in an attempt to fill-in for the short falls of the vain *gospel of prosperity*. Therefore, in view of the above *decay* and *fetid corruption* in the church world-over, one can plainly say without fear of contradiction, that this *magazine* indeed offers a unique voice of last-resort, for the much needed *correction* and *restoration*. If only today's body of Christ could *recognize* the voice of *repentance*, then she would without a doubt

experience a robust *overhauling* of her *salvation*, and overcome the menacing *whims* and cunning *schemes* of this *world*. This is what will *hold* the key to the *ultimate deliverance and restoration* of *holiness* into the hearts of the present-day believers. It is a key that if well adhered to, would access the *reinstatement* of both the *integrity* of christian *salvation*, and the consequent *entry* of the church into the glorious Kingdom of GOD. Thus, the main focus of these holy *oracles* is to prepare the Church into a *righteous*, holy and *blameless* bride of Christ that *befits* the marvellous works the LORD Jesus *deposited* at Calvary. Only such a faultless church has the capacity to wield a countenance that testifies to the *decorum*, and total *shunning* of *sin*, that the LORD Jesus *experienced* and *transferred* at the Calvary Cross. Such a *shunning* of *sin* is what would once more reinstate the lost *glory* and *integrity* of christian *salvation*, and hence *ignite* forth that most awaited endtime *revival* of *holiness*, world-over. This is just how GOD ALMIGHTY intended that HIS visitation of this hour becomes catalyst for *preparing the way* for the glorious coming of the Messiah. ■
