

TWO GOLDEN WEDDING RINGS IN THE SKY

VISION OF NOVEMBER 1, 2006

WHEN THE LORD JESUS walked this earth and *practiced* HIS public ministry in the streets and the *by-ways* of Jerusalem, Jerusalem did not at any one point *envisage* that her hour of *visitation* would *behold* no sooner than she thought. Coming with such immense heavenly *wisdom*, the REDEEMER of men moved their hearts with HIS words in a manner not seen before. As they gathered to listen to HIS teachings, they were so *astounded* by HIS *sayings* in a manner that greatly *betold* of their *unpreparedness* to receive The KING. This prominently *attested* to the fact that however *prudent* humanity may be, nothing can *gainsay* that, *preparedness* for GOD's visitation is *well-nigh* impossible outside the *realm* of the Holy Spirit. Even among the Israelites that walked with GOD in the *wilderness*, everytime they had the occasion to be visited by JEHOVAH, it

always pronounced the most shocking *testimony* of their lifetime. Having said that, it is important to underscore here that the *remarkable* silence which had lately defined the *fellowship* between GOD and mankind, is what openly *unmasked* the *opportunity cost* of a continued *apostasy* in the present-day church. Because the christian walk has today largely *degenerated* into a life of *blatant* compromise with sin, the LORD laments that no *remnant* appears to have been spared the brunt of *decay*. No one appears to have been left any more to pursue *righteousness* and *pitch* HIS holy tent. The hearts of the present-day Christians have consequently become so *impervious* to the *truth*, that they do not appear to *acknowledge* their *misapprehension* of the essentials of the *grace* they so love. This is what has made not only the *pulpit*, but also the *congregation* to become not only complacent, but

also virtually *inaccessible* to the *life-transforming truth of righteousness*. That is just how far the *narrow* and *superficial* human wisdom has *ravaged* the hearts of the believers! No one seems to *devote* their lives anymore to the pursuit of *holiness*, in this *pervert* generation! All appear to be *greedy* for short-term *gains* that have nothing to show for, in the upcoming *righteous* Kingdom of the Messiah. How come the present-day church cannot but see that her *whimsical* theory of the *grace* they pursue, is as a matter of fact not *supported* by the holy bible (Heb.6:4-6; Heb.10:26-31; 2Peter2:19-22)? The current falling away from the *truth* presents a complete *departure* from that original calling with which the church of Christ was initially *ordained* at the Cross. The *redemption* of today's church will hence have to come from none other than that *one step, all round, time-tested* process of **GENUINE REPENTANCE** and the turning away from sin. This is the only way in which the present-day christian will ever be

able to *retrace* her walk back to that biblically most exalted *highway of holiness* (Isaiah 35:8-9).

THE STUNNING VISION The Cloud of Glory

In a *marvel* that has today come to define the spiritual *propriety* of our time, the LORD GOD ALMIGHTY HIMSELF decided to *plenteously* love the church with the privilege of *tapping* into the heavenly conversation currently on going in the heart of GOD THE FATHER, regarding *rapture*. This is even moreso for the fact that GOD ALMIGHTY had to *forego* HIS most cherished *enactment* that had defined and set the events around the coming of the Messiah as heaven's top most guarded *secret* (Rev.16:15; 1Cor.15:50-56).

⁵¹ Take notice! I tell you a *mystery* (a *secret truth, an event decreed by the hidden purpose or counsel of God*). We shall not all fall asleep [in death], but we shall all be *changed (transformed)* ⁵²In a moment, in the twinkling of an eye, at

the [sound of the] last trumpet call. For a trumpet will sound, and the dead [in Christ] will be raised imperishable (free and immune from decay), and we shall be *changed (transformed)* (1Cor.15:51-52).

When it all began in that mighty *one-of-a-kind* vision of the LORD in that early 3:00am morning of November 1, 2006, little did my mind get *rekindled* to the fact that this *spiritual event* would later not only become the visitation of our time, but also underscore the greatest *impression* of GOD's concern for the church yet. Such an uncommon *gesture* of *affection* towards the fallen church, and her long-awaited *return* unto the LORD, is what today's christian *fraternity cannot afford* to take for granted. In its *rank and file*, this enormous vision has today not only *symbolized* the things to come, but also become the most important *pointer* yet, that the coming of the Messiah has drawn nearer than was earlier perceived. It all began at about 3:00am on the 1st of November, the year 2006, when I was asleep and saw the most glorious vision of GOD MOST HIGH. The vision of the LORD that I was privileged to see, was that of things projected to befall the earth soon. In that vision, I found myself looking up into the sky that was in absolute *pitch darkness*. That is when immediately, the unthinkable happened when I saw GOD'S heaven all of a sudden *recede* in both directions, thereby rendering open a mighty *entrance* that became the monumental *sign and wonder* of our time. Stunning as it was, that *gateway* was in no hurry to close, and hence remained standing there as an open *portal* between the earth and heaven. It is then that the LORD began to show me the shocking *brilliance* and *stunning* splendour of HIS glorious heaven. As the CREATOR continued to showcase to me HIS amazing heaven standing there open into the dark sky, all of a sudden HE began to roll out *astonishing* events in a *rapid fashion* of succession right

CRIPPLED BOY WALKS

This boy was carried into the Meeting of the LORD, but when THE MIGHTY PROPHET OF THE LORD walked into the stadium, THE POWER OF GOD TOUCHED HIM, and he got up and began to walked.

before my very eyes. The events that I saw *unfold* in the sky, were jaw-dropping because they appertained to the spectacular *holy* undertakings of GOD MOST HIGH in HIS *Majesty* at this critical hour. In all this fabulous show of love, what shocked me most however was that man on earth was finally given the splendidous opportunity to look straight into GOD's *adorable* heaven in real time! I came to realize that, as they *unravalled*, these heavenly events completely *arrested* the entire expanse of the sky, with such a stunning unassailable *Authority* of GOD MOST HIGH. That is what *rendered* me totally wondering for the rest of the entire of this *remarkable* vision of GOD. At one point along the way, I even became *ecstatic* to realize that from where the LORD had placed me, I was now able to look directly into the most *cherished* heaven of GOD ALMIGHTY. That is when it all became apparent to me that I had, as a matter of fact, been totally *consumed* by the amount of *overwhelming* GLORY OF GOD that flowed *inside* heaven from one end to the other. With such a *breathhtaking exuberance*, the GLORY OF GOD that I saw, displayed the splendour of HIS *spectacular Power* as it went about its *normal duty* of supervising the heavenly hosts. That GLORY OF GOD inside heaven was so amazing, that it totally *saturated* the entire expanse of heaven and presented the height of its *brilliance*, as it slowly moved in cloud-

like patterns, from one end to the next. Be that as it may, as things continued to *crystallize* in this vision, that is when I quickly realized that a new *unravelling* was beginning to take shape in the sky right above me. At this moment, I saw that the glory which *hovered* around heaven was now beginning to *advance* towards the *entrance* to heaven that had been *standing open* for some time in the dark sky. As time went by, then I witnessed that heavenly GLORY begin to gradually go through the open gate of heaven, and steadily surpass that *entrance* which still stood open between heaven and earth. As that visitation continued to *unravel*, I now saw that glory literally *outpour* from heaven into the sky that was dark. As the GLORY OF GOD descended from heaven, it appeared to have hid in its heart, the mystery of its mission! Nonetheless, the GLORY OF JEHOVAH that I saw descend from heaven into the sky did not do so in a one-step *quantum* leap, however, it *outfluxed* heaven through that entrance in *cloud-like* clusters of *splendour* that betold of GOD's power. As the CLOUD OF GOD's GLORY weaved its way through that entrance, the mighty *magnificence* of the LORD fully and totally *consumed* the entire expanse above the earth. As though to demonstrate the *boundless* power of its *brilliance*, that GLORY traversed all the way into the farthest of horizons. The amount of GLORY that

I saw *exude* heaven was so immense that it literally *captured* the entire expanse around and about the skies above. With such an *indisputable* presence, the *radiance* of GOD's power indeed registered its arrival into the spiritual landscape. However, witnessing the *brilliance* that this stunning glory *brandished* as it made its way from the inner *chambers* of heaven unto the ends of the sky, it finally dawned on me that this unfolding was as a matter of fact, a historic moment to behold. The LORD seemed to have set out to pursue HIS search for man's total *undivided* attention. This is what *unleashed* such a *startling cascade* of radiance that beamed across the entire face of the earth in the *majesty* of HIS power, to the point that it was almost *frightening* to the naked eye. As the *incumbent* GLORY OF THE LORD continued to *descended* from the inner Sanctuary of JEHOVAH, I saw that not only did it flow out of heaven, but also began to *cluster* around the entrance of heaven that was opened. In that way, it gave a *shade* of higher GLORY by the entrance and the *toning* of it across the dark sky. This is how the *stunning* glory of GOD gradually but steadily *illuminated* its way through the darkness of this world, and *conquered* the entire expanse above the earth. This *emerging* unfolding continued to develop to the point that it eventually

became possible for me to *envisage* a little *glimmer* of just how massive the *unmatched* Authority of GOD's presence is. While its manifestation inside heaven was such *awesome* and *astounding*, its *authority* to pursue darkness and *conquer* it, was however most *baffling*. Pursuant to this, in a short span, the gross darkness that had originally defined the midnight sky above the earth, had *waned* away as the luminous GLORY OF THE LORD continued to exert its *Authority*. If there was a place at which GOD's GLORY bitterly *reproached* the darkness that had prided itself above the earth, then this was it! The darkness that had *conceited* itself as 'king' of the sky, had now been compelled to flee the brilliant wrath of GOD's glory that totally censured it. The *darkness* that has for many years *menaced* this world was eventually *enfeebled* to no existence at all. If this was the intended mission of this glory into the dark hearts of men, then one can confidently say that behold the *luminous* dispensation of *light* has now beheld in the *souls* of men! Nonetheless, a partial *comprehension* was at this time dawning upon me that something even greater was about to befall the earth. In this divine *discourse* between *Paradise* and the *earth*, one thing however, did not cease to *amaze* me. It was the rate at which the powerful GLORY OF THE LORD *dispensed* the heavenly *agenda* into the sky, whereby claiming it back from darkness into a pleasant *brilliance*

of GOD's *illumination*. It finally turned the expanse into a sky *bustling* with the pure *lustre* of GOD's *sacred* presence. It was as though heaven had literally descended into the sky. As heaven directed the course of this glory, its *constellations* that engaged the skies continued to issue *beams of flashes* like *lightning*, to the extent that it reflected on my face down here on the earth. To me this was the physical manifestation of GOD *enlightening* HIS spiritual *itinerary* all the way from heaven onto the face of the earth. On that day, my heart was indeed well *seized* of the *Authority* and *Majesty* that heaven *commands* over the earth. Meanwhile, I must also *confess* here that in as much as I may not have fully comprehended what all this *magnificence* foretold across the sky, its fundamental role as *forerunner* event in prospective of what was to come, I well apprehended. The LORD made me know that something even bigger was about to happen in the sky.

The Golden Wedding Rings in the sky

During the entire session of this vision, the LORD appears to have been pointing the church upwards towards heaven. What conspicuously came out in all this was the fact that *divinity* was once more *beckoning* humanity to a higher order of *heavenly eminence*. There was virtue in this symbolic visitation as it appeared to direct the church

to the King of glory, the Christ. At this point in the vision, as the second segment rolled out, I was now able to spot from the depths of heaven, what in its appearance looked like a little *golden tinge* beginning to interrupt the brilliance of the glory that span GOD's *luminous* heaven. When the LORD was finally assured that HE had captured my total *attention* onto this golden object that *intermingled* with HIS heavenly glory, HE then began to draw that golden object closer and closer to the entrance of heaven that

was open into the sky. That is when I saw that the golden object in heaven was not *stationary*

at all, but appeared to be moving towards the opening in the sky. The closer this *celestial* golden object got to the entrance, the larger and clearer it became. Upon placing them at the entrance to the sky, that is when I realized that the LORD had as a matter of fact presented *two golden* and glorious *wedding rings* in the sky. The LORD had just lowered two golden and glorious wedding rings in the sky. The two wedding rings that I saw were very stunning and yet very *identical* in size and shape, thereby passing for mirror images of one another. The manner in which the wedding rings were *displayed* across the sky is what greatly disclosed not only their identity in size, but also a complete *congruency* in quality, at both the exterior and interior surfaces. Absolutely certain

that I was fully focused unto the wedding rings, the GOD OF HEAVEN then began *rotating* and *tilting* the *wedding rings* in all directions in a manner that exposed their design and make-up. I quickly realized that the LORD did this in order to allow me view all sides of the wedding rings, and from all directions. The *tilting* of the wedding rings back and forth, up and down, became such a spectacular event of motion that now consumed the gate to heaven HE had opened. Moreover, the LORD also intended this for purposes of bringing me into the complete *understanding* of the great investment HE had deposited into the development of these amazing wedding rings. That is how I was able in this realm to *grasp* and appreciate the stunning *skilfulness* and marvellous *craftsmanship* that went into *designing* of these *fabulous* rings. By this I well perceived that the LORD was intent on emphasizing the gravity of importance

that HE HIMSELF attaches to not only these wedding rings but also the events they bespeak. By continually rotating and flipping these wedding rings back and forth, they emitted such a tremendous glory even as the *clustering* brilliance of GOD's presence *wrapped* and *engirded* them. While I may not be fully conversant with how long the flipping, tilting and rotating of the rings lasted, all I can remember is that the LORD made me aware of HIS *heartfelt* sense of *accomplishment* and *achievement* at this remarkable *ordination*. It were as though GOD ALMIGHTY was confiding in me by saying, "Look how much I have accomplished until now, in the *preparation* for this *glorious event*." The excellence with which these *magnificent* wedding rings were *designed*, *produced* and *paraded*, for

viewing, is what revealed the premium that the LORD attaches to *excellence*. I could also see the enormous importance that the LORD places on the *accomplishment* of heavenly tasks. In my estimation, it became possible to read into the *inevitable* challenge that these spectacularly *beautified* rings obviously posed unto the church of Christ. It *unearthed* the fact that after a long preparation, GOD ALMIGHTY had once more accomplished HIS portion of the bargain in order to bring to a close the process of *redeeming* the church into the glorious Kingdom of heaven. The first portion of that *deliverance* was clearly the *crucifixion* of Jesus at

Calvary to *redeem* the church from the death that sin had brought on man. And now HIS second part being the *preparations* for the glorious wedding of the Lamb in heaven (*rapture*). Since biblical scripture clearly establishes that neither the angels in heaven nor the Son of Man HIMSELF are in the know regarding that day or hour of *rapture*, then surely this task of preparing the wedding rings must have rested with the LORD GOD HIMSELF undertaking. The more I *scrutinized* these two gorgeous wedding rings in the sky, the more *revealing* they became. The *esteem* with which heaven has expressed *honour* towards this *flamboyant* wedding of the Lamb was on that day indeed well expressed on these *exquisitely* adorned faces of the two *superb* wedding rings. The rings I saw were truly *imbued* with the novel

royalty, *majesty* and *affluence* of the mega kingdom of GOD. Considering that their humongous sizes could have possibly rated close to the size of our largest cities on earth, it was then possible to see the *infinite* heavenly *wealth* that have been apportioned to this one-of-a-kind calendar event of heaven. That is just how much of GOD's fortune these two *excellent* wedding rings *display* in the sky above. The splendour of *wealth* and *authority* that *beamed* from the faces of these *fabulous* rings, is what in my opinion *projected* the *unassailable* capacity of heaven to *enervate* all the *nuances* and *distractions* of this world, that

have for a long time *dogged* the church. However, the *radiance* of GOD's GLORY coming forth from these wedding rings is what made them so *brilliant* that not even a single dust-like *speck* of sin could go unnoticed. If

there was any way in which the *purity* requirement of GOD MOST HIGH could be *illustrated* to the church, then it was indeed this *luminous* probity on Christianity. Such a capacity to expose sin is what underscores the *purity quality* and *requirements* on the potential *wearers* of these *antique-like* rings of spiritual treasure. The LORD also made me understand that owing to the *lustre* of their *magnificent glamour*, and the *affluence* of these two *spectacular* heavenly metals, they project the power to *arrest* the total attention of the entire earth. Regarding this, it then becomes possible to *comprehend* why the LORD ALMIGHTY commands the direction of the human discourse. GOD ALMIGHTY expects the present-day church to have put her *total* and *unwavering* attention onto the events leading

to this wedding of the Lamb. The manner in which these two *imposing* wedding rings *conspicuously occupied* and took up their positions *in* the skies above, is what seemed to have *conveyed* the message. Upon the realization of that glorious day, no room will hence be afforded any other event both in heaven, or here on the earth. In other words, when *rapture* takes place, everything else will assuredly become *inconsequential* thereon. It speaks to just how central Christ Jesus is in the whole agenda of the Kingdom of GOD, and the entire creation. This awakening appears to have been birthed out of the fact that such a heavenly centrality of the Messiah has not been highlighted here on the earth. Having revealed to me that these treasured *antique-like* glorious rings would not be obtainable anywhere on the earth, then I was now able to well understand that the *affluence* depicted by these golden rings was literally unequalled no matter how wealthy the earth claims to be. It depicts the fact that no amount of human greatness or earthly wealth can deliver a soul into the eternal Kingdom of GOD. Such was the power of the *royalty* of GOD that was set before me in this mighty astounding vision. In the pursuit of detail and exquisite furnishing, the surfaces of these two wedding rings were well embossed

with such a beautiful *array of artful* dot-like dust of rich gold particles. These dot-like decorations were sprinkled and finely *embedded* on the exterior surfaces of these heavenly rings, to the extent that they projected like droplets of rain, while at the same time assuming the prominence of little dust-like *protrusions*. Such were the dots of rich gold that sparkled their outer surfaces thereby presenting an indelible *impression* that when touched, these rings would produce an easy feeling of traction. The *reddish-brown* colour of the gold itself successfully brought out a richer component of this precious metal. Most notably though, was that the outer prominent part that normally displays the crowns of the rings when one wears a wedding ring, did take on a near flat-top *architecture*. While this specific portion was relatively *over-pampered* with additions of diamond-like shiny pieces of embedments, it is actually the one that simply threw these wedding rings into ancient times. Its slightly over *elevated* near flat-top effect is what availed the platform upon which to release the total genius of *craftsmanship* of heaven. This flat-top design ran on the entire portion of display, but when it hit the *curved* edge that descends to hold the ring under the finger, it *harmoniously* blended in with the

curvature. A myriad of glitters then *emerald* from this section of the ring and created an *indispensable* blend of very wealthy reddish-brown metal of gold within the diamond-like *motifs* of glow. At this juncture within the vision, I could almost hear the quiet undertones of the Voice of the LORD that appeared to be saying, "*What amount of wealth then does man behold on the earth for him to be afforded the chance to ignore ME?*" Caught up in this once-in-a-lifetime *sign and wonder* of our time, I was then further able to notice that the inside part of these awesome rings where contact is gained with the finger, a *magnificent* beautiful smoothing presented a spread-out-form-of-centre-like pattern that radiated forth. This interior *patterning* did not run the entire length of the straight lines, but beautifully curved off and waved its way towards the edges of the rings as though *grated* with the finest of *filing* and *sanding* of the artful jeweller. In all this, I would not escape recognizing that every described pattern of one ring was exactly the perfect *replica* of the other *contemporary*. It surely takes the superfluous extravagance of the supernatural *perfection* of GOD to do this kind of *prototyping* and *sistering* of *design* and *embossment* of these *fantastic* wedding rings of heaven. In my simple estimation then, I

could verily recognize that these rings indeed posed a monumental challenge to the present-day inaccurate church that doesn't pay attention to GOD's exacting details. Owing to her *decayed* salvation, the present-day church would have to pull up her socks in order to wake up and smell the roses about the wedding. In this vision, I kept pondering over, again and again, as to whether the present-day compromised church can ever qualify to even identify with such celestial *purity* of perfection that these rings minister unto the nations. This was the moment at which the contemplation of my heart was well pronounced with fears abound as to how the LORD would passed me through such a *landmark* vision of our time! Although in the natural, the *restoration* of today's fallen church may seem *far-fetched*, but it is otherwise the simple one-step process of *purification* that these wedding rings advocate, that holds the *key* to full restoration of *purity* into today's *vagrant* church.

The Mighty Voice Of God Speaks

It was at the height of this *glamorous* display of the two fabulous wedding rings in the skies above, that came forth the mighty most dreadful Voice of the LORD GOD ALMIGHTY. The powerful Voice

of GOD that I heard, came *forthright* from the inside depths of heaven, while thundering its way through the still skies right above the earth. This is what caused me to finally perceive the gravity that this vision beheld and *tremble* as the mighty Voice of the LORD said,

**"FROM TODAY ON, ALL AUTHORITY
IN HEAVEN AND ON EARTH HAS
BEEN GIVEN TO CHRIST JESUS."**

Right after this mighty Voice, a quiet still *consumed* the skies again as the two golden and most glorious wedding rings continued to *reign* in their *tilting* and *flipping* above the earth. It is this *authoritative* Voice of GOD that now totally changed my entire *perspective* on these two marvellous wedding rings. At this moment, I now clearly understood that, not only did these rings express the **AUTHORITY** of GOD in heaven, but also on the earth. Talking of *dispensational* changes at this time I felt like I had finally *encountered* one, *face-to-face*. A further viewing of this developing *manifestation* of GOD's splendour became more *enlightening* at this point because of what the Voice of GOD had just assigned. No longer was the GLORY across the sky a mere *excessive* outpour from heaven, but this time around I now apprehended what this glory actually stood for. It had now become abundantly clear that this entire *magnificent* outpour

was as a matter of fact that glory which GOD THE FATHER has deliberately apportioned the Christ. Nonetheless, in the course of my undivided attention on the wedding rings, then came forth the most powerful Voice of GOD ALMIGHTY again. This time around, the mighty and dreadful Voice of GOD came from the brilliant cloud of HIS glory in heaven, saying,

**"LOOK AND SEE WHO IS SEATED
ON THE WHITE HORSE."**

This second mighty *pronouncement* of GOD equally came to me as a serious shocker, especially that I did not expect it this time around too. As I began to take in what the mighty Voice of GOD had just decreed, then came again this still silence that cut across the sky as though one would hear even the slightest of a *pin-drop*. In the midst of this, the LORD continued *flipping* and *tilting* the two wedding rings to the extent that when they hit the horizontal phase, it at times appeared like HE was writing the figure 8 that is lying horizontal. Observing these two wedding *rings* flipping back and forth in the midst of the mighty Voice of GOD, and the still frozen silence that consumed the skies, is what finally provided such a complete *relief* and *understanding* of *purpose* that heaven proffered across the skies above the earth.

THE **UNEQUIVOCAL** message that *trumpets* through from this mighty visitation of the LORD, is one of great awakening to the church with respect to the coming of the Messiah. It is a message that is making a *rallying* call unto the nations that time is fast running out for *preparing the way* for the coming of the LORD. With the wedding rings already in the sky, the moment of *truth* seems to have hit the *home stretch* in as far as the coming of the Christ is concerned. This great awakening appears to have come with a series of *serious* heavenly events that are already lined-up for *highlighting* the climax of our lifetime. The most important *announcement* that comes through from these magnificent wedding rings, is the fact that *preparations* for the wedding of the LAMB OF GOD have been *notched-up* and *finalized* in the Kingdom of GOD in heaven, thereby calling upon the church to follow suit. However, the realm of *preparedness* that GOD THE FATHER now desires, is one that has *seldom* been seen in HIS previous *engagement* with the church. By spectacularly displaying the glamour of the beautifully finished wedding rings in the skies above the earth, GOD THE FATHER is *implicitly* pointing to the fact that the wedding of the LAMB will be a spectacular event never seen before, and one for which heaven

is ready to marshal all resources conceivable. Moreover, the perfect combination of *splendour*, *majesty* and *glamour* that accompany the style with which the LORD *paraded* these two fabulous golden wedding rings in the sky, is what brings a new *twist* into the *preparedness* for *rapture* that the present-day church ought to embrace. It is a message of attention to the finess of heavenly detail that today's church has to ascribe to, she likes it or not. This is what lends extreme *gravity* to the process with which the individual christian must *strive* to achieve all requisite *preparations* for entry into the *rapture*. A monumental visitation of this *calibre* is what can stir-up the *fear* of HIM Who is *Seated* on the right-hand side of GOD in heaven. Going through this mighty visitation, one cannot escape the fact that even though the church has walked without *revelation* on who the Messiah actually is, her *failure* to put detail into the righteous and holy requirement of GOD, is what constitutes her greatest *undoing*. This is the true gesture to the fact that the LORD still demands a certain irreducible level of holy *preparedness* for the coming of HIS dear Son. For heaven to have seriously brought on board her entire *resource base* for this wedding, surely indeed Christ Jesus is of greater *gravity* in the Kingdom of GOD than the church had

earlier perceived.

For in him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things have been created through him and for him (Col 1:16).

DISPENSATION OF OPEN HEAVEN

WHEN HEAVEN opened into that dark sky of November 1, a *special* message unto the church was told. In this kind of conversation with the church, the LORD seems to have channelled HIS tone as relates to the humongous events on the coming of the Messiah, through this portal in heaven. By positioning the actual wedding rings in the skies above the earth, GOD ALMIGHTY appears to have now opted for a direct *conversation* with the church regarding that day of reckoning, a day that is now beckoning humanity into the imperishable realm. To have gone for this kind of direct messaging, GOD ALMIGHTY was essentially communicating that the *passage of seasons* since the *inception* of the church appears to have at this point brought to the *fullness* of time, the reality of this event to be. The magnitude of such a *dispensation* cannot in any way be concealed and is hence what has *compelled* GOD THE FATHER to *engage* the church in a more direct conversation of this kind about *rapture*. Moreover, considering that this is an event whose details have been largely concealed both in *scripture* and this *manifest realm*, then one cannot overlook the fact that GOD THE FATHER has finally overtaken mankind on this matter of the eternity of Christians. HE has vividly breached the bounds of heaven, and come out in the *open* with this! That the presentation of the actual spiritual wedding rings for the wedding of the Lamb is an *affectionate* deed never witnessed before, is a fact that no one can *gainsay*. It is no hidden secret that of late the church had experienced a

This boy crippled since birth, was carried to the meeting of the LORD, but when THE MIGHTY PROPHET OF THE LORD walked into the meeting the Power of the LORD descended, he ROSE UP and began to walk on his own for the first time since birth. HALLELUHIA!

dehumanizing dry spell in which the Spirit of the LORD has been very *rare* and thus desperately needed a massive visitation of this magnitude. Like was the case with Israel, whenever such a *spiritual drought* rears its ugly head in the house, then it is often inevitable that false prophets begin to *bloom* and fill in the gap and mankind longs for just a little assurance of hope beyond the tombs. So has been the case with the present-day desolate church whose dry spell has as a matter of fact spelt doom for her eternity with GOD. This is what has exactly led to the *blooming* of false prophets that have recently been too often witnessed in the corridors of the present-day church day in and day out. Therefore, for the *clusters* of GLORY to have descended from heaven in this vision, definitely it must have meant that the most anticipated *dispensation* of OPEN HEAVEN must have dawned. The narrative of the massive *outpour* being described in this vision, can be none other than that most foretold and anticipated dispensation of the *latter anointing*. It is a season that was long *foreseen* and *prophesied* as one that would bring the desperately needed *uplifting* and *appraisal* of the fallen church of Christ, in the sight of the heathen world. Thus, by lavishly describing the *massiveness* of the hovering clouds of glory that breached the gates of heaven, the LORD must have been seeking the present day church in the *parables* of Jesus, while at the same time saying that behold the *dispensation* of *open*

heaven beckons. This is the profound *pronouncement* that literally throws the *spanner into the works* and casts the church right into the mode of preparing the *new wine skin* for the fresh and new effervent *latter glory*. It is also the place at which the Holy Spirit must come in to weave into this church a novel *vessel* that can contain the *efficacy* of today's new wine. The church on her own has proven time and again, that she indeed is incapable of *hewning* for herself any meaningful *cistern* of honour. It is no secret that our present-day congregation has to *prepare* in earnest so as to receive the *favour* of this *latter glory* from heaven. The rapid *conquest* of the dark skies above and the magnificence of the massive *clusters* of heavenly GLORY they projected is what particularly drove home the most important message. It is a communication on the utility of this *latter outpour* of grace, that was on that day relayed in the skies right above. The Prophet Isaiah in his *pious* manuscripts did not shy away from exalting the assignment of this *latter glory* to the role of *purging* the church off the current dross of decay and darkness that has for some time now *bedevilled* her and *entangled* her *eternity*.

See, the LORD is coming out of his dwelling to punish the people of the earth for their sins. The earth will disclose the blood shed on it; the earth will conceal its slain no longer (Isaiah 26:21).

The endemic darkness of *apostasy* and *immorality* that has marooned the current church for sometime, is what has effectively eroded the *eloquence* of the lamp of her *light* unto this dark world. Furthermore, when the *brilliance* of GOD's GLORY in this vision *overruled* the boundaries of heavens' gates, and began to *illuminate* the dark skies of this mortal realm, it became the most important *depiction* yet of the dawning of a new day into the life man. Unlike the previous days of darkness, this new day that the LORD is today fronting right before the church is most certainly a time of the reign of *light* that is *executed* by this righteous glory of GOD. To this end, heaven on that day bore a *reverberating* testimony of the *extraordinary brilliance* of the *righteousness* of GOD that covered the entire expanse above the earth. In that way, the GOD OF HEAVEN is today prevailing upon the current church to embrace a *behavioural* reformation from her nightly *nocturnal* conduct of evil and immorality, to a dignified daylight conduct of *righteousness* and *holiness* (Rom 13:12; Heb 5:13). As a result of the *blasphemies* and *blatant* abuse of the *grace*, we today witness in the public space yet another moment when the LORD makes a frantic effort to bring to an end that which has been lost, that the church may be finally *redeemed* in good time for *rapture*. We are vividly reminded here of when Israel too had walked into such a dark moment of life only to be taught a lasting lesson that has left

BEDRIDDEN ACCIDENT VICTIM WHO WAS DUMPED OUTSIDE THE HOSPITAL GATE INSTANTLY HEALED

This boy had a very severe car accident that left him with very severe head injuries, which kept him admitted unconscious in hospital for more than six months. For some unknown reason and due to the increase in hospital bills, with no one claiming responsibility over him, the hospital staff decided to take him and lay him outside by the hospital gate, that his people may come for him in that unconscious state. HOWEVER, WHEN SOME PEOPLE WHO WERE DOING PUBLICITY FOR THE UPCOMING KISUMU REVIVAL MEETING OF THE LORD ENCOUNTERED THIS BOY UNCONSCIOUS BY THE HOSPITAL GATE, THEY DID THE MOST UNTHINKABLE WHEN THEY DECIDED TO CARRY HIM ON AN EMPTY CEMENT BAG UNDER THE BRAND 'BLUE TRIANGLE', AND TO THE MEETING OF THE LORD! This shocked the entire congregation because the PROPHET OF THE LORD had called LIVE on JESUS is LORD radio proclaiming that the LORD would heal someone who was bedridden and would be brought on a "BLUE" mat. And sure enough he came with a "Blue triangle" mat! At the Kisumu Meeting, they lay him on that empty "blue triangle" cement bag, where he remained lying unconscious for the whole 3 days. However, on the last day just as the PROPHET OF THE LORD was about to leave the meeting and was saying, "TODAY, THE BLIND EYES HAVE OPENED, THE CRIPPLED HAVE WALKED, THE DEAF EARS HAVE OPENED, AND EVEN HIV/AIDS HAVE BEEN HEALED HERE TODAY" Then all of a sudden, this unconscious boy felt SOMEBODY LIFTING HIM UP AND THEN HE WOKE UP FROM THE COMATOSIS! And when he looked around he saw a lot of people and he asked, "Who are these and what are they doing here?" Then he got up with a lot of sweat on him, and then asked, "How did I get here?" THAT IS WHEN HE WALKED STRAIGHT TO THE ALTAR AND REALIZED HE WAS TOTALLY HEALED WITH AN INSERTED TUBE STILL HANGING FROM HIS BELLY! On his head, the heavy scars from that accident are still evident. GLORY TO GOD MOST HIGH!

A year later, he came to thank the PROPHET OF THE LORD and to show HIM that he was now leading a normal life and serving the LORD. Halleluhia!

them *scarred* from the consequences of the wounds of sin. In that realm of darkness Israel had literally squandered all the chances JEHOVAH had given her glitter with the light of *righteousness* before the heathen nations of this earth.

² "Speak to Zerubbabel son of Shealtiel, governor of Judah, to Joshua son of Jozadak, the high priest, and to the remnant of the people. Ask them, ³ 'Who of you is left who saw this house in its former glory? How does it look to you now? Does it not seem to you like nothing?' (Haggai 2:2-3).

For those that have *loved* the *pursuit* of *righteousness*, just as were the days of Zerubbabel, so will it be in these days of heavenly glory. This is because the church of Christ was on that day of this vision handed down a holy inheritance of heavenly *heritage*, that will indeed go a long way in *distinguishing* her from the world, as the *true* children of JEHOVAH (Eph 5:8-11). It is this *latter glory* in *clusters* that is consigned the task of *sanitizing* the programs of today's church and transforming the appearance of her salvation into

righteousness, even unto the point of being counted *worthy* of wearing one of these fabulous spiritual wedding rings in the sky. That will be the day when the capstone will finally be placed onto the present-day church's journey of *deliverance*, from a more worldly House she is, to the spiritual holy bride she ought to be. This is how the two glorious golden wedding rings have continued to minister hope into the current generation, especially for those who endeavour to sanctify themselves as devout adherents of the *righteousness* of our GOD.

"Who dares despise the day of small things, since the seven eyes of the LORD that range throughout the earth will rejoice when they see the chosen capstone in the hand of Zerubbabel?" (Zach 4:10).

What an awesome day that will be when Zerubbabel will behold the *capstone* that will conclude the life story of today's church even unto the end of time. However, considering that the account of the wedding rings in that vision *highlights* the *brilliance* of GOD, hence it is the stringency with

which it exposes even the slightest of a *speck* of *impurity*, that goes a long way to underscore just how high the standard of rapture is. It goes without saying that the church which will be privileged enough to wear those rings will have to observe absolute *purity*, in which nothing whatsoever may be found lodged on her garment of *righteousness*. This glorious vision of the two golden wedding rings in the skies above, is in essence the greatest *indication* yet that GOD ALMIGHTY intends to work through HIS *angelic powers* in the Holy Spirit, in order to redeem the today's fallen church. It is a heavenly mission that is intended to achieve nothing less than a glorious bride that befit the image of HIS exalted Kingdom of *holiness*. As the GLORY of JEHOVAH *exuded* and *breached* the limits of heaven in this spectacular vision, GOD was principally saying that in these last days HE would come out in HIS Presence and Tabernacle in the body of HIS people, in order to *exhibit* HIS holy character and do the tremendous exploits that would exceed any other that has been previously done in human history. It is

the presence of GOD in the church that undeniably *sanctifies* and *consecrates* the place of visitation. This is the way in which the vision of these two wedding rings was intended to project forth a message of *repentance* and *purification* in the present-day church. Thus owing to this historic vision of the great *outpour* from heaven, the church must now *gear up* for this *reality* of perfecting the *righteousness* of the LORD in her day to day salvation. The feast of Tabernacles that Israel observed in the days of old, is what effectively becomes a spiritual *model* of this *reality*. It illustrates GOD's manifest *presence* functioning through a *remnant* radical group of HIS people called the *holy elect* that chose holiness as a means of preparing the way for the coming of the Messiah. This GLORY that appeared in *clusters*, is essentially the same GLORY that descended from heaven when the LORD Jesus was baptised in the Jordan, and remains the same GLORY that came down at *transfiguration*. The only difference being that owing to what is at stake regarding the church's entry into *paradise*, this GLORY will now manifest in a much greater way. Like did this GLORY transform the *raiment* of the LORD at *transfiguration*, so will it *cleanse* the wedding gown of today's *remnant elect* that pursue *holiness*. This clearly explains why on April 2nd, 2004, during the visitation of John the Baptist, his *raiment* changed to glorious as my *raiment* and the entire grass around was transfigured. As that GLORY came down it expressed the fullness of the Power of GOD's authority over *sin*, *darkness* and *decay*. It is amazing that this same GLORY is the one that lifted off with the LORD

Jesus into a cloud that *raptured* HIM into heaven, after accomplishing for the church the *fête* of *resurrection* from the dead (Acts 1:9). This glory is the mighty latter outpour of the Holy Spirit whom the church is expected to *embrace* and walk with in these last days prior to the return of the LORD. The opening of the *entrance* to heaven in this November 1 vision is yet another testimony that the *gates of heaven* are now open, and GOD HIMSELF is now ready to *receive* the *fruit of the Cross* which is exclusively the holy church of Christ, into HIS glorious Kingdom. This is absolutely interesting and precisely *synonymous*

The PROPHET OF THE LORD again warned the priesthood to prepare the church in righteousness and the holiness of the LORD for coming Messiah, and desist from preaching the false gospel of prosperity and the love of money.

with when one goes to a restaurant, only to find that it is yet too early, and the doors 'CLOSED'. Most often than not, a written note will be hanging on the glass door from the inside reading "CLOSED". Even though one were to be able to see the restaurant attendant working around the clock inside, cleaning, putting foods in urns, putting urns in place, and filling them with foods, and lighting candles beneath them etc, one would still not be able to access the restaurant because the sign on the door still reads "CLOSED" and the fullness of time for entry not yet accomplished. However, when the fullness of time comes for opening the restaurant, the owner of that eatery is often seen opening the door,

inserting the door-stopper in place, and flipping the written sign to now read "OPEN". This often means that the restaurant is now ready to receive its guests. It principally talks about the preparedness of the events inside that restaurant for receiving the people for the feast. In the same way, the GOD of heaven is saying that HE has now OPENED the spiritual *door* into heaven's venue for the feast of the LAMB. The tables are well dressed and the urns prepared in place with different entries that most definitely befit the occasion. Having said that, the LORD has now pushed the *spiritual door-stopper* in place, and flipped the *spiritual sign*

into the sky to now read "OPEN". This fundamentally implies the most celebrated time in the history of the holy bible. GOD ALMIGHTY is saying that Heaven ready to receive the holy church of Christ because the *midnight hour* is about to strike. This moment is what has been long awaited in the church of Christ world over. As we speak now, GOD ALMIGHTY has as a matter of fact presented HIS disposition that bespeaks HIS readiness to receive the holy bride of Christ Jesus into HIS holy

Kingdom. It directly points to the *midnight hour* bearing nearer than earlier envisaged.

When The Skyline Has Shifted

BY OPENING HEAVEN and releasing the mighty GLORY, the spiritual infrastructure and architecture of the sky underwent a significant shift. It could be said that the sky on that day became disturbed with a plethora of heavenly events that cascaded left and right, up and down, in a manner that can only portray a significant change of dispensation. Heaven was in that vision essentially saying that GOD is today seeking to call out HIS *elect* church away from

The PROPHET OF THE LORD warned the priesthood to urgently remove the preaching of the gospel of prosperity, the false prophets, homosexuality and lies from the pulpit and prepare the church in righteousness for the coming of the Messiah.

their worldly cares into the wonderful *light* of this GLORY. It is this GLORY that is verily delegated with the role of *polishing, refining* and *sparkling* the church that devotes her life in the pursuit of *righteousness* and *holiness* as a way of life at this last hour. The Prophet Isaiah had earlier foreseen in his vision that this historic *dispensation* would entail GOD's heavenly GLORY taking on the full charge of not only preparing the bride of Christ, but also *rapturing* her into HIS glorious Kingdom when that remarkable day comes to pass. That is why Isaiah the Prophet was privileged to witness the doors of heaven opened and the LORD'S people *dash* in, into their respective reserved heavenly habitations (rooms). After the holy *elect* are *raptured*, Isaiah further witnessed the doors of heaven *close* behind them, as the *fearful* wrath of GOD consumes the entire face of the earth.

²⁰ Go, my people, enter your rooms and shut the doors behind you; hide yourselves for a little while until his wrath has passed by (Isaiah 26:20).

Therefore, in this vision, when the LORD *opened* heaven and *released* HIS GLORY, into the expanse, that also became the serious moment of reckoning on the extreme favour that calls on the present-day church to clear up her spiritual vision so as to be able to see this **HEAVEN** that now stands **OPEN** in the skies above. Lately, the vision of

the church had been seriously *impaired* and *marred* with worldly cares of fending for her day to day living. But now the LORD is *exhorting* the church to lift her head and look up into the sky to see for herself that the *skyline* has fundamentally *shifted* and taken on a heavenly *countenance* of GLORY. Israel in the wilderness had earlier encountered a similar situation in which they had basically lost direction and gone astray. It is GOD'S GLORY that caused them to once more *focus* their eyes into the sky, in order to know which way to go so that they may reach the Promised Land. So it is with today's church, that the LORD has finally raised forth this *open gate* in the skies above, as her heavenly host to redirect her focus from a more *horizontal earthly movement*, into a more *vertical heavenly orientation*. For Israel, when the GLORY lifted they moved on, and when the GLORY settled, they pitched camp. The house of Jacob wouldn't have known which way to go had they continued focusing their eyes horizontally on Egyptian food and the idol golden calf of the earth (Numbers 9:15-23). In so doing, Israel completely *obeyed* the LORD thereby finally being led into the Promised Land, even though they had never been that way before. So is the church required to equally train her focus onto this *open portal* in heaven that she may one day enter through the wedding that is

being announced by these two glorious rings.

Responsibility

Likewise, today's church is being called upon to remove the *veil* of her horizontal earthly realm and begin to train her eyes to focus onto the heavenly realm that she may appreciate the promised *deliverance* that the LORD has purposefully lined up in the sky for the holy *elect*. This is the only way today's *complacent* body of Christ will be able to notice that things have dramatically changed in her *spiritual skyline*, thereby demanding a corresponding action on her part. That the prophetic timeline of GOD ALMIGHTY has changed in heaven is not anything to debate anymore (1Thess4:16-17).

The ongoing *exhortation* of the church on the wedding of the Lamb has never been so powerfully real as it does now. Such a heavenly *standing*, and *instruction* as relayed through this monumental vision, is what principally endorses to the church that she still holds a significant share into the glorious Kingdom of GOD, an *allotment* she ought to be vigorously claiming right now by shaking off the devil's *shackles*. This spiritual **DOOR** that is currently open in heaven, is as a matter of fact for the sake of today's fallen church, that if she would one day soon *harken* to the instruction of **REPENTANCE** that is being dispensed by the GLORY abound, then she would eventually enter into *eternity* with GOD. However, this *grand* visitation does not come without a levy of *responsibility* being placed on the **PULPIT**. The *delightful* narrative of the *artfully perfected* wedding rings, their *design*, and *craftsmanship* abound, and the final *development* of their *flamboyant* blueprint, is what directly communicates this serious *responsibility* that today's church of Christ is confronted with. It also underscores just how seriously GOD in heaven treats the *preparatory* events towards the day of *rapture*, and HIS

desire to see the church move in tandem with the heavenly sequence of events. By looking at the two identical wedding rings that the LORD on that day positioned in the sky, one is able to right away spot the mirror image of the *perfection* of GOD ALMIGHTY HIMSELF.

Revealing the Gold

Now that the two wedding rings are so artfully *decorated* with GOD's *honour* of a precious adorned gold medal, the question then becomes; what could the message to the church be? First and foremost, owing to the rank HE beholds in heaven as the King of glory, GOD ALMIGHTY commands that all creation *honour* and *adore* HIM, on a daily basis regardless of occasion. Having said that, we distinctly see that when it comes to the day of the wedding of the LAMB, GOD HIMSELF commands a *festival* that is marked with a trumpet blast as never witnessed before. And in the observance of this *auspicious* event, GOD ALMIGHTY directs that no other *sacrifice* be offered except one *prepared* by fire (Lev23:23-25). The procedure employed in the production of pure rich gold of the nature JEHOVAH GOD presented in the sky on November 1st, 2006, is virtually *unfathomable* in this realm. However, based on our limited human capacity, there are a few things we can appreciate today regarding the message the LORD is dispensing using the golden rings. Here on earth, the process that leads to the production of pure gold, is one that involves the use of high temperature of heat to *dispel* the claim *impurities* launch. This course of high temperature treatment on gold is a prerequisite step that is followed to the letter in order to *separate out* the different *impurity metals* that may have defiled the gold. It is common knowledge in the market place that any *impurity* lodged on gold often reduces its true worth, thereby lowering its original intended value. Because different metals have different *melting* points, then temperature is always employed to *separate impurities* from

the metals. For the case of gold, the higher the temperature *applied* during its processing, the more impure metals like *iron, zinc, aluminium, bronze* melt out. In essence it this high temperature *melt-out* that *separates* out the pure gold from *impurities*. Without the requisite high temperatures for *decontamination*, metals of *impurities* would not let go of good gold. In like manner, when GOD ALMIGHTY presented the two wedding rings made out of *purest* rich gold, HE most *tacitly* implied that from that time henceforth, the church would be required to undergo a stringent *purification* process. This is the only way in which she would attain her *gold-worthiness* to qualify as the *beholder* of one of the two *purest* golden wedding rings, when that day of *rapture* befalls. But the process by which the present-day church can become *spiritually golden* would equally require the *purification* by fire, except that this time around such a fire would have to come from the Holy Spirit. Only the Holy Spirit fire has the requisite capacity to *dislodge spiritual impurities* of sin from the present-day church, and *separate* her out in order to *restore* her original Calvary worth. As one can imagine, these two golden rings that the LORD displayed in the skies above, must have been *purified* through the mighty works of the Refiner's heavenly fire of the Holy Spirit.

9 This third I will put into the fire; I will refine them like silver and test them like gold. They will call on my name and I will answer them; I will say, 'They are my people,' and they will say, 'The LORD is our God.'"
(Zechariah 13:7-9).

And by this, the LORD is earnestly asking the present-day church together with the pulpit to avail themselves to the *reproving* fire of the Holy Spirit for the *purification* of their salvation. Among the *impurities* that have downgraded the worth of the present-day church of Christ, the *love of money* and *sexual sin* tower

high. It is for this reason that the Holy Spirit today *vouches* for a strict and harsh *purification* process that will be capable of dislodging off from the current church, not only the *love of money* and *sexual sin*, but also *witchcraft, false prophets, false apostles, homosexuality, lesbianism, worldliness, post-modernism, modern salvation, kingdoms of men*, and many other vices that have deteriorated the value of the church. Therefore, it is extremely *needful* that the present-day church of Christ would move with a sense of urgency to *redeem* the lost time, and allow the Holy Spirit to *purge* the dross off her Christianity. Until this happens, the LORD GOD in HIS heavenly courts will have no reason whatsoever to *vindicate* or *exonerate* today's christian who have so heavily abused the grace that was freely handed them at Calvary. There is no greater time in history when the purifying fire of the Holy Spirit has been so desperately needed in the church, than it does now, in these last evil days. This is owing to the magnitude of *decay* that has today set in, as a result of the openly defiling *inter-marriage* currently ongoing between the church on one part, and sin on the other. Mixing *light* and *darkness* in this fashion is a total *fallacy*, and *delusion* that indeed amounts to an unwarranted *alteration* of the **GOSPEL TRUTH**. While all this *intermingling* happened in the house, it is all known too well that Christ the head of the church, is completely *immiscible* with the sin of this world. In fact, the Messiah came to the earth *sinless*, and *exited* the scene *sinless*, in order to establish the *benchmark* of the Holy Spirit. To this end, the church too was called (2 Cor 6:14-18). It is this kind of stringent *sanitization* and *refinement* by the holy fire of the Holy Spirit, that will bear the capacity to enforce a recourse in today's lost church. Only this strategy is what will achieve the much needed second *deliverance* into today's *complacent* church. Such a final *deliverance* from sin was long promised in the bible, and

most especially in these last days as the clock of GOD ticks out in the zero-countdown to the much anticipated *rapture* of the church. Just as the wedding rings in the sky are *heavenly, spiritual, incorruptible, imperishable, immortal, and eternal*, so does the LORD expect today's church to fashion herself up with these *virtues* of HIS glorious Kingdom. Moreover, with an exhibition of such heavenly splendour in the sky, the Holy Spirit is obviously *beseeking* the church to embrace the moment, and allow *purification* that will dress her in a white *spotless* glorious *raiment* of equal measure. When that day of reckoning realizes, and the church found ready in a *bright* and *clean* garment, that will be the moment when such heavenly *splendour* as is aboard the wedding rings, will have achieved their intended *purpose*. However, the wedding gown made out of fine linen, bright and clean is the *righteousness* of the church (Rev 19:6-9; Psalm 45:12-15). In other words, the CREATOR is saying that all celebrations in the Kingdom of GOD regarding the victory on the Cross, indeed do revolve around the church. Without a *righteous* church in place, the wedding

feast of the LAMB OF GOD will not take place. Thus, one way or the other, there must be a *holy righteous* and *mature spotless* bride on that day. The only question being 'who will this be?' Considering that time is fast-running out, one would expect that *holiness* becomes a *spiritual marker* that today's church ought to desperately *crave* for right now as a matter of life and death (Heb12:14; 1 Pet1:15; 1 John 3:3). It is the *brilliance* of the wedding gown which the church wears, that will on that day emit the *fragrance of gladness* during the wedding feast of the Lamb in heaven. Beginning with the wedding rings in the sky, we now see that the LORD was essentially alluding to the *garment* of the church. Through this visitation then, the LORD is fundamentally *appraising* the church by urging her not to forget her *royal inheritance* that supersedes all *trappings* that this earth advances. If only the present-day christian believer would understand the premium that being a *royal bride* of heaven attracts, most definitely they would not have sold out into stooping too low with the *hard-won* salvation that Jesus heavily paid for. By placing the wedding rings

at the entrance to heaven, the LORD is *depicting* that only through this wedding should the church enter the Kingdom of GOD. In that way, the LORD has overruled all other human schools of thought that have attempted to classify the coming of the Messiah as either *pre-tribulation, mid-tribulation, or post-tribulation rapture*. JEHOVAH is essentially saying that all that matters now is that the church be found wearing the right *garment of righteousness*. That is what preparing the way for the coming of the Messiah entails (1Thess 4:16-17). And for GOD ALMIGHTY to *exhibit* the wedding rings in the sky, it must be that heaven is definitely today fully prepared and ready for that wedding. In other words, all *preparations* for that wedding have been finalized for the *rapture* of the church. Moreover, we can never lose sight of the fact that as the bible describes that, '*and we will all join the LORD in the sky*', the actual placing of the two wedding rings at that site in the sky most definitely reveals that things are really super ready for that Event. ■

THE OUTPOUR FROM HEAVEN

WHenever the LORD decides to *anoint* HIS people, it is often intended to symbolize the beginning and introduction of a *sacred* and *divine* influence, to initiate a *holy, spiritual* and *powerful* phase of their lives. And the LORD always does so in order to *rid* HIS people off the evil influences of this wicked world, and draw them closer to HIMSELF. Hence, the act of *OPENING HEAVEN* on that November 1, 2006, and releasing that outpour of *glory* from heaven, was

principally meant to be an act of *anointing* the church with the *holy anointing oil* of heaven into the *consecration* to a *holy* and *sacred* purpose. This

act by JEHOVAH was also meant for purposes of preparing a *sacred vessel* in this hour for the church. In HIS holy oracles, the LORD OF HOSTS had earlier promised this *latter anointing* through HIS Prophets Joel and Haggai when HE said that HE would outpour HIS Spirit on men. However, the caveat has always been that such a sacred most holy *anointing* for this last hour could not in any way be associated or mixed with any *contamination* of the

previous *apostasy*. The LORD in HIS holy standing has always demanded for a new vessel and wineskin that can be the *beholder* of today's most *treasured* end *anointing*. As we have seen in the narrative of this November 1 vision, when the floodgates of *HEAVEN OPENED*, the most authoritative GLORY OF GOD *breeched* that gate and poured out into the dark sky. That was an act that bespoke not only the commencement of the dispensation of *OPEN HEAVEN* but also GOD's own demand for a new vessel that would contain such an *anointing* of great effervescence.

And no one pours new wine into old wineskins. Otherwise, the new wine will burst the skins; the wine will run out and the wineskins will be ruined (Luke 5:37).

JONKOPING, SWEDEN / June 2013

PASTORS' CONFERENCE

The PROPHET OF THE LORD Rebuked the Swedish church for tolerating homosexuality, nudity, false prophets, false apostles, liberal theology, and post-modernism in the church. HE TOLD THEM TO PREPARE THE WAY FOR THE COMING OF THE MESSIAH.

Such a high priest truly meets our need — one who is holy, blameless, pure, set apart from sinners, exalted above the heavens (Hebrews 7:26).

For he raised us from the dead along with Christ and seated us with him in the heavenly realms because we are united with Christ Jesus (Eph 2:6; NEW LIVING TRANSLATION).

Likewise, GOD THE FATHER has again OPENED HEAVEN and released HIS fresh *anointing* oil to *anoint* the church too with the oil of Christ's *affection* that she may befit the stature of Christ, come that day of *rapture*. When the LORD says that '*all have sinned and come short of HIS glory*' in this generation, what does it imply? Which glory did they lose?

For all have sinned and fall short of the glory of God (Rom 3:23).

It is both a blessing and a challenge unto the present-day church, owing to the *illicit* worship that has of late *marooned* the church's *wineskin*. By releasing such an enormous *outpour* of HIS glory, the LORD was intent on *refreshing* and *invigorating* the worship of today's *desolate* and *worldly* body of Christ. This specific *anointing* that the LORD brought upon the church on the day of this vision, and using HIS *anointing* formula from heaven, was meant to bring down the Spirit of GOD upon the church, to qualify them for HIS GOD-given task of *preparing the way*. When the time to perform HIS public ministry arrived, Jesus Christ too had to be *anointed* with the Spirit of the LORD *without measure*, thereby causing HIM to finally *ascend* and be *glorified* at the right-hand of GOD THE FATHER. It is this massive *anointing* which Christ carried without limit, that enabled HIM to break the back of the enemy during HIS fasting in the *wilderness*.

³⁸ how God anointed Jesus of Nazareth with the Holy Spirit and power, and how he went around doing good and healing all who were under the power of the devil, because God was with him (Acts 10:38).

So was the church also *anointed* with fresh oil on the day of Pentecost as an act of *affection* from GOD THE FATHER. In this way, GOD in heaven was showing the church that the way to a holy service unto HIM is only by the help of the Holy Spirit. In this way, the Holy Spirit was fully *centralized* in the life of the church, as the enabler of men. *Perseverance, signs and wonders, great healings, and the preachings* of Jesus were all possible only through the Holy Spirit. And yet the bible promises that the holy church of Christ which pursues *righteousness* as her salvation at this hour, would also be *exalted* with Christ, and be seated with HIM above the higher heavens.

As this vision took its place in the sky, and the glory of the LORD *outpoured*, the LORD intended to use this to restore the glory that the church has fallen short of. It is a visitation that is meant to bring forth the *depiction* that, into the sinful church, now comes streaming the *light of righteousness* of GOD. This *light* of the heavenly glory that chased away the darkness in this vision was essentially meant to symbolize GOD's plan to *restore* the *moral stature* of the church and her conformity to HIS will. In other words, GOD MOST HIGH brought forth the much needed *impartation* into the body of Christ. It is this *impartation* that is intended to bring a *repentance* and *holiness revival* that would manifest as *great unspeakable*. By GOD bringing the *light* of HIS *righteousness* from heaven on that day, HE purposed to bring today's immoral and worldly church back into a holy *kindred* with HIM. When the LORD says that '*all have sinned and have come short of HIS glory*', it implies that the *glorious* image of GOD with which man was created in the first blueprint in full *communion* with GOD, is what was lost due to sin. It is this eternal glory which man *came short of*, that Jesus

GOTHERNBURG, SWEDEN / June 2013

PASTORS' CONFERENCE

The PROPHET OF THE LORD asked the nation of Sweden to prepare the church for the coming of the Messiah because the GLORY OF THE LORD had visited.

came to *restore* on the Calvary Cross. However, by witnessing the current fall of *apostasy* in the church, the LORD again desired that mankind who was guilty of sin, *polluted* with it, and *condemned* for it, may once more be baptised in the Cloud of HIS glory in order to be *vindicated* for the Kingdom of GOD. The LORD on that day released the glory of inner heaven in order to *baptize* the nations into a holy heritage with HIM. When the present-day church came *short of the glory of GOD*, that can only mean that the body of Christ stopped *glorifying* GOD. To glorify GOD was the only purpose for which the church was *created* and given the ability to *accomplish*. However,

now through sin, the church is once more *incapable* of glorifying GOD, thereby implying that only through the *grace* of GOD will she be able to glorify HIM again. Therefore, on that day of November 1, we clearly see that GOD ALMIGHTY indeed poured HIS *grace* again in the form of the *latter anointing* in order to *restore* the church's *moral righteousness*. That is the only way in which the present-day fallen church can offer a more *pure* and *perfect* worship that deserves *glory* and *praise* from GOD. The glory that heaven poured on that day, is GOD's glory that is meant to restore *everlasting life* back to the present-day christian that she may be a *partaker* come the day of

rapture. Without this visitation, we see that today's church has *sinned* and consequently lacked the *kindred* of GOD. Therefore, the glory that the LORD released on that November 1, 2006 upon opening heaven, was meant to install the Joel dispensation of latter glory into the church.

The Day of the Lord

²⁸ "And afterward, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your old men will dream dreams, your young men will see visions. ²⁹ Even on my servants, both men and women, I will pour out my Spirit in those days (Joel 2:28-29). ■

CONCLUSION

ONLY A GENUINE REPENTANCE revival can redirect the *course* of today's church of Christ that has *drifted* away from the *values* of the *Cross*, and *separated* from GOD ALMIGHTY. It is unfortunate that this late in the day, *backsliding* in the church has continued to be common practice among the believers because of the *rampant* spiritual *decay* that has *overpowered* the *pulpit*. The christian lifestyle has now settled for a mediocre form of salvation that tolerates *immorality*, and *worldliness*. By not preaching the *life-transforming* gospel of the *BLOOD* and the *cross*, the present-day church has consequently not only *drifted away* from the true

Word of GOD, but also from the Holy Spirit, her only helper. Like Israel in her most *defiant* days, this fall has almost *denied* the church her most treasured *eternity* with GOD that Jesus so dearly *purchased* for her at Calvary. It is incredible that even with such a *spiritual inheritance* at stake, today's church of Christ has continued to *wander away* from the will of GOD by rejecting *holiness*, and instead chosen to embrace *false doctrines of prosperity, money, sow-a-seed, fake miracles, false apostles, liberal theology, homosexuality and immorality*. However, GOD ALMIGHTY in HIS endless mercies has released this major vision of the wedding rings

in order to make a final attempt at rescuing today's *disobedient* church back to HIS *heavenly path*. This persistence of the LORD to draw the church back to HIS righteous *highway of holiness*, achieved its greatest height on that November 1st, 2006 when HE unleashed HIS heavenly glory together with a *plethora* of eternal virtues, that HE intended to impart on today's church. Therefore, the events that transpired on that mighty November 1st, 2006 vision, will forever remain engrained in our minds, both in heaven and on earth, as GOD's last-ditch effort to convince today's church that a *holy separated* life, however unpopular, is the only way to the Kingdom of GOD. ■

TWO BLIND GIRLS HEALED AT ONCE

These two blind girls stunned the meeting with their story. The girl in white was born totally blind, while the one in brown, had normal eyes until the onset of the post-election violence when someone hit her left eye with a club and split open the left eye. When they heard that the PROPHET OF THE LORD was coming to Kericho, and since they did not have fare and their parents had left them behind, the one-eyed girl in brown decided to pass by the home of the one who was totally blind and led her on foot to the meeting of the LORD. **THEN TO THE SHOCK OF ALL PEOPLE, THE LORD DECIDED TO HEAL BOTH OF THEM AND FULLY RESTORED THEIR SIGHT!**
