WHEN THE LORD JESUS walked this earth and practiced HIS public ministry in the streets and the by-ways of Jerusalem, Jerusalem did not at any one point envisage that her hour of visitation would behold no sooner than she thought. Coming with such immense heavenly wisdom, the REDEEMER of men moved their hearts with HIS words in a manner not seen before. As they gathered to listen to HIS teachings, they were so astounded by HIS sayings in a manner that greatly betold of their unpreparedness to receive The KING. This prominently attested to the fact that however prudent humanity may be, nothing can gainsay that, preparedness for GOD's visitation is well-nigh impossible outside the realm of the Holy Spirit. Even among the Israelites that walked with GOD in the wilderness, everytime they had the occasion to be visited by JEHOVAH, it always pronounced the most shocking testimony of their lifetime. Having said that, it is important to underscore here that the remarkable silence which had lately defined the fellowship between GOD and mankind, is what openly unmasked the opportunity cost of a continued apostasy in the present-day church. Because the christian walk has today largely degenerated into a life of blatant compromise with sin, the LORd laments that no remnant appears to have been spared the brunt of decay. No one appears to have been left any more to pursue righteousness and pitch HIS holy tent. The hearts of the present-day Christians have consequently become so impervious to the truth, that they do not appear to acknowledge their misapprehension of the essentials of the grace they so love. This is what has made not only the pulpit, but also the congregation to become not only complacent, but
also virtually inaccessible to the life-transforming truth of righteousness. That is just how far the narrow and superficial human wisdom has ravaged the hearts of the believers! No one seems to devote their lives anymore to the pursuit of holiness, in this pervert generation! All appear to be greedy for short-term gains that have nothing to show for, in the upcoming righteous Kingdom of the Messiah. How come the present-day church cannot but see that her whimsical theory of the grace they pursue, is as a matter of fact not supported by the holy bible (Heb.6:4-6; Heb.10:26-31; 2Peter2:19-22)? The current falling away from the truth presents a complete departure from that original calling with which the church of Christ was initially ordained at the Cross. The redemption of today’s church will hence have to come from none other than that one step, all round, time-tested process of GENUINE REPENTANCE and the turning away from sin. This is the only way in which the present-day christian will ever be able to retrace her walk back to that biblically most exalted highway of holiness (Isaiah 35:8-9).

THE STUNNING VISION
The Cloud of Glory

In a marvel that has today come to define the spiritual propriety of our time, the LORD GOD ALMIGHTY HIMSELF decided to plenteously love the church with the privilege of tapping into the heavenly conversation currently on going in the heart of GOD THE FATHER, regarding rapture. This is even moreso for the fact that GOD ALMIGHTY had to forego HIS most cherished enactment that had defined and set the events around the coming of the Messiah as heaven’s top most guarded secret (Rev.16:15; 1Cor.15:50-56).

51 Take notice! I tell you a mystery (a secret truth, an event decreed by the hidden purpose or counsel of God). We shall not all fall asleep [in death], but we shall all be changed (transformed) 52In a moment, in the twinkling of an eye, at the [sound of the] last trumpet call. For a trumpet will sound, and the dead [in Christ] will be raised imperishable (free and immune from decay), and we shall be changed (transformed) (1Cor.15:51-52).

When it all began in that mighty one-of-a-kind vision of the LORD in that early 3:00am morning of November 1, 2006, little did my mind get rekindled to the fact that this spiritual event would later not only become the visitation of our time, but also underscore the greatest impression of God’s concern for the church yet. Such an uncommon gesture of affection towards the fallen church, and her long-awaited return unto the LORD, is what today’s christian fraternity cannot afford to take for granted. In its rank and file, this enormous vision has today not only symbolized the things to come, but also become the most important pointer yet, that the coming of the Messiah has drawn nearer than was earlier perceived. It all began at about 3:00am on the 1st of November, the year 2006, when I was asleep and saw the most glorious vision of GOD MOST HIGH. The vision of the LORD that I was privileged to see, was that of things projected to befall the earth soon. In that vision, I found myself looking up into the sky that was in absolute pitch darkness. That is when immediately, the unthinkable happened when I saw GOD’S heaven all of a sudden recede in both directions, thereby rendering open a mighty entrance that became the monumental sign and wonder of our time. Stunning as it was, that gateway was in no hurry to close, and hence remained standing there as an open portal between the earth and heaven. It is then that the LORD began to show me the shocking brilliance and stunning splendour of HIS glorious heaven. As the CREATOR continued to showcase to me HIS amazing heaven standing there open into the dark sky, all of a sudden HE began to roll out astonishing events in a rapid fashion of succession right.
before my very eyes. The events that I saw unfold in the sky, were jaw-dropping because they appertained to the spectacular holy undertakings of GOD MOST HIGH in HIS Majesty at this critical hour. In all this fabulous show of love, what shocked me most however was that man on earth was finally given the splendorous opportunity to look straight into GOD's undivided heaven of love, what shocked me most critical hour. In all this fabulous show of love, what shocked me most however was that man on earth was finally given the splendorous opportunity to look straight into GOD's most high in HIS majesty at this critical hour.

I saw, displayed the splendour of HIS power, as it went about its normal duty of supervising the heavenly hosts. That GLORY OF GOD inside heaven was so amazing, that it totally saturated the entire expanse of heaven and presented the height of its brilliance, as it slowly moved in cloud-like patterns, from one end to the next. Be that as it may, as things continued to crystallize in this vision, that is when I quickly realized that a new unravelling was beginning to take shape in the sky right above me. At this moment, I saw that the glory which hovered around heaven was now beginning to advance towards the entrance to heaven that had been standing open for some time in the dark sky. As time went by, then I witnessed that heavenly GLORY begin to gradually go through the open gate of heaven, and steadily surpass that entrance which still stood open between heaven and earth. As that visitation continued to unravel, I now saw that glory literally outpour from heaven into the sky that was dark. As the GLORY OF GOD descended from heaven, it appeared to have hid in its heart, the mystery of its mission! Nonetheless, the GLORY OF JEHOVAH that I saw descend from heaven into the sky did not do so in a one-step quantum leap, however, it outfluxed heaven through that entrance in cloud-like clusters of splendour that betold of GOD's power. As the CLOUD OF GOD's GLORY weaved its way through that entrance, the mighty magnificence of the LORD fully and totally consumed the entire expanse above the earth. As though to demonstrate the boundless power of its brilliance, that GLORY traversed all the way into the farthest of horizons. The amount of GLORY that I saw exude heaven was so immense that it literally captured the entire expanse around and about the skies above. With such an indisputable presence, the radiance of GOD's power indeed registered its arrival into the spiritual landscape. However, witnessing the brilliance that this stunning glory branded as it made its way from the inner chambers of heaven unto the ends of the sky, it finally dawned on me that this unfolding was as a matter of fact, a historic moment to behold. The LORD seemed to have set out to pursue HIS search for man's total undivided attention. This is what unleashed such a startling cascade of radiance that beamed across the entire face of the earth in the majesty of His power, to the point that it was almost frightening to the naked eye. As the incumbent GLORY OF THE LORD continued to descended from the inner Sanctuary of JEHOVAH, I saw that not only did it flow out of heaven, but also began to cluster around the entrance of heaven that was opened. In that way, it gave a shade of higher GLORY by the entrance and the toning of it across the dark sky. This is how the stunning glory of GOD gradually but steadily illuminated its way through the darkness of this world, and conquered the entire expanse above the earth. This emerging unfolding continued to develop to the point that it eventually
became possible for me to envisage a little glimmer of just how massive the unmatched Authority of God’s presence is. While its manifestation inside heaven was such awesome and astounding, its authority to pursue darkness and conquer it, was however most baffling. Pursuant to this, in a short span, the gross darkness that had originally defined the midnight sky above the earth, had waned away as the luminous glory of the LORD continued to exert its authority. If there was a place at which God’s glory bitterly reproached the darkness that had prided itself above the earth, then this was it! The darkness that had conceived itself as ‘king’ of the sky, had now been compelled to flee the brilliant wrath of God’s glory that totally censured it. The darkness that has for many years menaced this world was eventually enfeebled to no existence at all. If this was the intended mission of this glory into the dark hearts of men, then one can confidently say that behold the luminous dispensation of light has now beheld in the souls of men! Nonetheless, a partial comprehension was at this time dawning upon me that something even greater was about to befall the earth. In this divine discourse between Paradise and the earth, one thing however, did not cease to amaze me. It was the rate at which the powerful glory of the LORD dispensed the heavenly agenda into the sky, whereby claiming it back from darkness into a pleasant brilliance of God’s illumination. It finally turned the expanse into a sky bustling with the pure lustre of God’s sacred presence. It was as though heaven had literally descended into the sky. As heaven directed the course of this glory, its constellations that engaged the skies continued to issue beams of flashes like lightning, to the extent that it reflected on my face down here on the earth. To me this was the physical manifestation of God enlightening His spiritual itinerary all the way from heaven onto the face of the earth. On that day, my heart was indeed well seized of the authority and majesty that heaven commands over the earth. Meanwhile, I must also confess here that in as much as I may not have fully comprehended what all this magnificence foretold across the sky, its fundamental role as forerunner event in prospective of what was to come, I well apprehended. The LORD made me know that something even bigger was about to happen in the sky.

The Golden Wedding Rings in the sky

During the entire session of this vision, the LORD appeared to have been pointing the church upwards towards heaven. What conspicuously came out in all this was the fact that divinity was once more beckoning humanity to a higher order of heavenly eminence. There was virtue in this symbolic visitation as it appeared to direct the church to the King of glory, the Christ. At this point in the vision, as the second segment rolled out, I was now able to spot from the depths of heaven, what in its appearance looked like a little golden tinge beginning to interrupt the brilliance of the glory that span God’s luminous heaven. When the LORD was finally assured that He had captured my total attention onto this golden object that intermingled with His heavenly glory, He then began to draw that golden object closer and closer to the entrance of heaven that was open into the sky. That is when I saw that the golden object in heaven was not stationary at all, but appeared to be moving towards the opening in the sky. The closer this celestial golden object got to the entrance, the larger and clearer it became. Upon placing them at the entrance to the sky, that is when I realized that the LORD had as a matter of fact presented two golden and glorious wedding rings in the sky. The LORD had just lowered two golden and glorious wedding rings in the sky. The two wedding rings that I saw were very stunning and yet very identical in size and shape, thereby passing for mirror images of one another. The manner in which the wedding rings were displayed across the sky is what greatly disclosed not only their identity in size, but also a complete congruency in quality, at both the exterior and interior surfaces. Absolutely certain
that I was fully focused unto the wedding rings, the GOD OF HEAVEN then began rotating and tilting the wedding rings in all directions in a manner that exposed their design and make-up. I quickly realized that the LORD did this in order to allow me view all sides of the wedding rings, and from all directions. The tilting of the wedding rings back and forth, up and down, became such a spectacular event of motion that now consumed the gate to heaven HE had opened. Moreover, the LORD also intended this for purposes of bringing me into the complete understanding of the great investment HE had deposited into the development of these amazing wedding rings. That is how I was able in this realm to grasp and appreciate the stunning skilfulness and marvellous craftsmanship that went into designing of these fabulous rings. By this I well perceived that the LORD was intent on emphasizing the gravity of importance that HE HIMSELF attaches to not only gravity of importance emphasizing the of the great investment understanding of bringing me into the complete perceived that the rings. By this I well of these rings. I went into designing them. While I may not be fully conversant with craftsmanship and marvellous craftsmanship that went into designing of these fabulous rings. By this I well perceived that the LORD was intent on emphasizing the gravity of importance that HE HIMSELF attaches to not only these wedding rings but also the events they bepeak. By continually rotating and flipping these wedding rings back and forth, they emitted such a tremendous glory even as the clustering brilliance of GOD’s presence wrapped and engirded them. While I may not be fully conversant with how long the flipping, tilting and rotating of the rings lasted, all I can remember is that the LORD made me aware of HIS heartfelt sense of accomplishment and achievement at this remarkable ordination. It were as though GOD ALMIGHTY was confiding in me by saying, “Look how much I have accomplished until now, in the preparation for this glorious event.” The excellence with which these magnificent wedding rings were designed, produced and paraded, for viewing, is what revealed the premium that the LORD attaches to excellence. I could also see the enormous importance that the LORD places on the accomplishment of heavenly tasks. In my estimation, it became possible to read into the inevitable challenge that these spectacularly beautified rings obviously posed unto the church of Christ. It unearthed the fact that after a long preparation, GOD ALMIGHTY had once more accomplished HIS portion of the bargain in order to bring to a close the process of redeeming the church into the glorious Kingdom of heaven. The first portion of that deliverance was clearly the crucifixion of Jesus at Calvary to redeem the church from the death that sin had brought on man. And now HIS second part being the preparations for the glorious wedding of the Lamb in heaven (rapture). Since biblical scripture clearly establishes that neither the angels in heaven nor the Son of Man HIMSELF are in the know regarding that day or hour of rapture, then surely this task of preparing the wedding rings must have rested with the LORD GOD HIMSELF undertaking. The more I scrutinized these two gorgeous wedding rings in the sky, the more revealing they became. The esteem with which heaven has expressed honour towards this flamboyant wedding of the Lamb was on that day indeed well expressed on these exquisitely adorned faces of the two superb wedding rings. The rings I saw were truly imbued with the novel royalty, majesty and affluence of the mega kingdom of GOD. Considering that their humongous sizes could have possibly rated close to the size of our largest cities on earth, it was then possible to see the infinite heavenly wealth that have been apportioned to this one-of-a-kind calendar event of heaven. That is just how much of GOD’s fortune these two excellent wedding rings display in the sky above. The splendour of wealth and authority that beamed from the faces of these fabulous rings, is what in my opinion projected the unassailable capacity of heaven to enervate all the nuances and distractions of this world, that have for a long time dogged the church. However, the radiance of GOD’s GLORY coming forth from these wedding rings is what made them so brilliant that not even a single dust-like speck of sin could go unnoticed. If there was any way in which the purity requirement of GOD MOST HIGH could be illustrated to the church, then it was indeed this luminous probity on Christianity. Such a capacity to expose sin is what underscores the purity quality and requirements on the potential wearers of these antique-like rings of spiritual treasure. The LORD also made me understand that owing to the lustre of their magnificent glamour, and the affluence of these two spectacular heavenly metals, they project the power to arrest the total attention of the entire earth. Regarding this, it then becomes possible to comprehend why the LORD ALMIGHTY commands the direction of the human discourse. GOD ALMIGHTY expects the present-day church to have put her total and unwavered attention onto the events leading

TOTALLY BLIND EYES OPENED

KISUMU REVIVAL / JAN 1, 2010

Jebiwott born totally Blind but at the Meeting of the LORD in Kisumu, and to the Shock of all in the meeting, the LORD GOD ALMIGHTY opened her eyes, and she was now able to see very clearly and even follow the PROPHET OF THE LORD wherever HE went.
to this wedding of the Lamb. The manner in which these two imposing wedding rings conspicuously occupied and took up their positions in the skies above, is what seemed to have conveyed the message. Upon the realization of that glorious day, no room will hence be afforded any other event both in heaven, or here on the earth. In other words, when rapture takes place, everything else will assuredly become inconsequential thereon. It speaks to just how central Christ Jesus is in the whole agenda of the Kingdom of God, and the entire creation. This awakening appears to have been birthed out of the fact that such a heavenly centrality of the Messiah has not been highlighted here on the earth. Having revealed to me that these treasured antique-like glorious rings would not be obtainable anywhere on the earth, then I was now able to well understand that the affluence depicted by these golden rings was literally unequalled no matter how wealthy the earth claims to be. It depicts the fact that no amount of human greatness or earthly wealth can deliver a soul into the eternal Kingdom of God. Such was the power of the royalty of God that was set before me in this mighty astounding vision. In the pursuit of detail and exquisite furnishing, the surfaces of these two wedding rings were well embossed with such a beautiful array of artful dot-like dust of rich gold particles. These dot-like decorations were sprinkled and finely embedded on the exterior surfaces of these heavenly rings, to the extent that they projected like droplets of rain, while at the same time assuming the prominence of little dust-like protrusions. Such were the dots of rich gold that sparkled their outer surfaces thereby presenting an indelible impression that when touched, these rings would produce an easy feeling of traction. The reddish-brown colour of the gold itself successfully brought out a richer component of this precious metal. Most notably though, was that the outer prominent part that normally displays the crowns of the rings when one wears a wedding ring, did take on a near flat-top architecture. While this specific portion was relatively over-pampered with additions of diamond-like shiny pieces of embedments, it is actually the one that simply threw these wedding rings into ancients times. Its slightly over elevated near flat-top effect is what availed the platform upon which to release the total genius of craftsmanship of heaven. This flat-top design ran on the entire portion of display, but when it hit the curved edge that descends to hold the ring under the finger, it harmoniously blended in with the curvature. A myriad of glitters then emerald from this section of the ring and created an indispensable blend of very wealthy reddish-brown metal of gold within the diamond-like motifs of glow. At this juncture within the vision, I could almost hear the quiet undertones of the Voice of the Lord that appeared to be saying, “What amount of wealth then does man behold on the earth for him to be afforded the chance to ignore ME?” Caught up in this once-in-a-lifetime sign and wonder of our time, I was then further able to notice that the inside part of these awesome rings where contact is gained with the finger, a magnificent beautiful smoothening presented a spread-out-form-of-centre-like pattern that radiated forth. This interior patterning did not run the entire length of the straight lines, but beautifully curved off and waved its way towards the edges of the rings as though grated with the finest of filing and sanding of the artful jeweller. In all this, I would not escape recognizing that every described pattern of one ring was exactly the perfect replica of the other contemporary. It surely takes the superfluous extravagance of the supernatural perfection of God to do this kind of prototyping and sistering of design and embossment of these fantastic wedding rings of heaven. In my simple estimation then, I
could verily recognize that these rings indeed posed a monumental challenge to the present-day inaccurate church that doesn’t pay attention to GOD’s exacting details. Owing to her decayed salvation, the present-day church would have to pull up her socks in order to wake up and smell the roses about the wedding. In this vision, I kept pondering over, again and again, as to whether the present-day compromised church can ever qualify to even identify with such celestial purity of perfection that these rings minister unto the nations. This was the moment at which the contemplation of my heart was well pronounced with fears abound as to how the LORD would passed me through such a landmark vision of our time! Although in the natural, the restoration of today’s fallen church may seem far-fetched, but it is otherwise the simple one-step process of purification that these wedding rings advocate, that holds the key to full restoration of purity into today’s vagrant church.

The Mighty Voice Of God Speaks

It was at the height of this glamorous display of the two fabulous wedding rings in the skies above, that came forth the mighty most dreadful Voice of the LORD GOD ALMIGHTY. The powerful Voice of GOD that I heard, came forthright from the inside depths of heaven, while thundering its way through the still skies right above the earth. This is what caused me to finally perceive the gravity that this vision beheld and tremble as the mighty Voice of the LORD said, “FROM TODAY ON, ALL AUTHORITY IN HEAVEN AND ON EARTH HAS BEEN GIVEN TO CHRIST JESUS.”

Right after this mighty Voice, a quiet still consumed the skies again as the two golden and most glorious wedding rings continued to reign in their tilting and flipping above the earth. It is this authoritative Voice of GOD that now totally changed my entire perspective on these two marvellous wedding rings. At this moment, I now clearly understood that, not only did these rings express the AUTHORITY of GOD in heaven, but also on the earth. Talking of dispensational changes at this time I felt like I had finally encountered one, face-to-face. A further viewing of this developing manifestation of GOD’s splendour became more enlightening at this point because of what the Voice of GOD had just assigned. No longer was the GLORY across the sky a mere excessive outpour from heaven, but this time around I now apprehended what this glory actually stood for. It had now become abundantly clear that this entire magnificent outpour was as a matter of fact that glory which GOD THE FATHER has deliberately apportioned the Christ. Nonetheless, in the course of my undivided attention on the wedding rings, then came forth the most powerful Voice of GOD ALMIGHTY again. This time around, the mighty and dreadful Voice of GOD came from the brilliant cloud of His glory in heaven, saying, “LOOK AND SEE WHO IS SEATED ON THE WHITE HORSE.”

This second mighty pronouncement of GOD equally came to me as a serious shocker, especially that I did not expect it this time around too. As I began to take in what the mighty Voice of GOD had just decreed, then came again this still silence that cut across the sky as though one would hear even the slightest of a pindrop. In the midst of this, the LORD continued flipping and tilting the two wedding rings to the extent that when they hit the horizontal phase, it at times appeared like HE was writing the figure 8 that is lying horizontal. Observing these two wedding rings flipping back and forth in the midst of the mighty Voice of GOD, and the still frozen silence that consumed the skies, is what finally provided such a complete relief and understanding of purpose that heaven proffered across the skies above the earth.
THE UNEQUIVOCAL message that Trumpets through from this mighty visitation of the LORD, is one of great awakening to the church with respect to the coming of the Messiah. It is a message that is making a rallying call unto the nations that time is fast running out for preparing the way for the coming of the LORD. With the wedding rings already in the sky, the moment of truth seems to have hit the home stretch in as far as the coming of the Christ is concerned. This great awakening appears to have come with a series of serious heavenly events that are already lined-up for highlighting the climax of our lifetime. The most important announcement that comes through from these magnificent wedding rings, is the fact that preparations for the wedding of the LAMB OF GOD have been notched-up and finalized in the Kingdom of GOD in heaven, thereby calling upon the church to follow suit. However, the realm of preparedness that GOD THE FATHER now desires, is one that has seldom been seen in HIS previous engagement with the church. By spectacularly displaying the glamour of the beautifully finished wedding rings in the skies above the earth, GOD THE FATHER is implicitly pointing to the fact that the wedding of the LAMB will be a spectacular event never seen before, and one for which heaven is ready to marshal all resources conceivable. Moreover, the perfect combination of splendour, majesty and glamour that accompany the style with which the LORD paraded these two fabulous golden wedding rings in the sky, is what brings a new twist into the preparedness for rapture that the present-day church ought to embrace. It is a message of attention to the fineness of heavenly detail that today’s church has to ascribe to, she likes it or not. This is what lends extreme gravity to the process with which the individual Christian must strive to achieve all requisite preparations for entry into the rapture. A monumental visitation of this calibre is what can stir-up the fear of HIM Who is Seated on the right-hand side of GOD in heaven. Going through this mighty visitation, one cannot escape the fact that even though the church has walked without revelation on who the Messiah actually is, her failure to put detail into the righteous and holy requirement of GOD, is what constitutes her greatest undoing. This is the true gesture to the fact that the LORD still demands a certain irreducible level of holy preparedness for the coming of HIS dear Son. For heaven to have seriously brought on board her entire resource base for this wedding, surely indeed Christ Jesus is of greater gravity in the Kingdom of GOD than the church had earlier perceived.

For in him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things have been created through him and for him (Col 1:16).

DISPENSATION OF OPEN HEAVEN

WHEN HEAVEN opened into that dark sky of November 1, a special message unto the church was told. In this kind of conversation with the church, the LORD seems to have channelled HIS tone as relates to the humongous events on the coming of the Messiah, through this portal in heaven. By positioning the actual wedding rings in the skies above the earth, GOD ALMIGHTY appears to have now opted for a direct conversation with the church regarding that day of reckoning, a day that is now beckoning humanity into the imperishable realm. To have gone for this kind of direct messaging, GOD ALMIGHTY was essentially communicating that the passage of seasons since the inception of the church appears to have at this point brought to the fullness of time, the reality of this event to be. The magnitude of such a dispensation cannot in any way be concealed and is hence what has compelled GOD THE FATHER to engage the church in a more direct conversation of this kind about rapture. Moreover, considering that this is an event whose details have been largely concealed both in scripture and this manifest realm, then one cannot overlook the fact that GOD THE FATHER has finally overtaken mankind on this matter of the eternity of Christians. 

He has vividly breached the bounds of heaven, and come out in the open with this! That the presentation of the actual spiritual wedding rings for the wedding of the Lamb is an affectionate deed never witnessed before, is a fact that no one can gainsay. It is no hidden secret that of late the church had experienced a
dehumanizing dry spell in which the Spirit of the LORD has been very rare and thus desperately needed a massive visitation of this magnitude. Like was the case with Israel, whenever such a spiritual drought rears its ugly head in the house, then it is often inevitable that false prophets begin to bloom and fill in the gap and mankind longs for just a little assurance of hope beyond the tombs. So has been the case with the present-day desolate church whose dry spell has as a matter of fact spelt doom for her eternity with GOD. This is what has exactly led to the blooming of false prophets that have recently been too often witnessed in the corridors of the present-day church day in and day out. Therefore, for the clusters of glory to have descended from heaven in this vision, definitely it must have meant that the most anticipated dispensation of open heaven must have dawned. The narrative of the massive outpour being described in this vision, can be none other than that most foretold and anticipated dispensation of the latter anointing. It is a season that was long foreseen and prophesied as one that would bring the desperately needed uplifting and appraisal of the fallen church of Christ, in the sight of the heathen world. Thus, by lavishly describing the massiveness of the hovering clouds of glory that breached the gates of heaven, the LORD must have been seeking the present day church in the parables of Jesus, while at the same time saying that behold the dispensation of open heaven beckons. This is the profound pronouncement that literally throws the spanner into the works and casts the church right into the mode of preparing the new wine skin for the fresh and new effervent latter glory. It is also the place at which the Holy Spirit must come in to weave into this church a novel vessel that can contain the efficacy of today’s new wine. The church on her own has proven time and again, that she indeed is incapable of hewing for herself any meaningful cistern of honour. It is no secret that our present-day congregation has to prepare in earnest so as to receive the favour of this latter glory from heaven. The rapid conquest of the dark skies above and the magnificence of the massive clusters of heavenly glory they projected is what particularly drove home the most important message. It is a communication on the utility of this latter outpour of grace, that was on that day relayed in the skies right above. The Prophet Isaiah in his pious manuscripts did not shy away from exalting the assignment of this latter glory to the role of purging the church off the current dross of decay and darkness that has for some time bedevilled her and entangled her eternity.

See, the LORD is coming out of his dwelling to punish the people of the earth for their sins. The earth will disclose the blood shed on it; the earth will conceal its slain no longer (Isaiah 26:21).

The endemic darkness of apostasy and immorality that has marooned the current church for sometime, is what has effectively eroded the eloquence of the lamp of her light unto this dark world. Furthermore, when the brilliance of GOD’s glory in this vision overruled the boundaries of heavens’ gates, and began to illuminate the dark skies of this mortal realm, it became the most important depiction yet of the dawning of a new day into the life man. Unlike the previous days of darkness, this new day that the LORD is today fronting right before the church is most certainly a time of the reign of light that is executed by this righteous glory of GOD. To this end, heaven on that day bore a reverberating testimony of the extraordinary brilliance of the righteousness of GOD that covered the entire expanse above the earth. In that way, the GOD OF HEAVEN is today prevailing upon the current church to embrace a behavioural reformation from her nightly nocturnal conduct of evil and immorality, to a dignified daylight conduct of righteousness and holiness (Rom 13:12; Heb 5:13). As a result of the blasphemies and blatant abuse of the grace, we today witness in the public space yet another moment when the LORD makes a frantic effort to bring to an end that which has been lost, that the church may be finally redeemed in good time for rapture. We are vividly reminded here of when Israel too had walked into such a dark moment of life only to be taught a lasting lesson that has left
This boy had a very severe car accident that left him with very severe head injuries, which kept him admitted unconscious in hospital for more than six months. For some unknown reason and due to the increase in hospital bills, with no one claiming responsibility over him, the hospital staff decided to take him and lay him outside by the hospital gate, that his people may come for him in that unconscious state. However, when some people who were doing publicity for the upcoming Kisumu Revival meeting of the Lord encountered this boy unconscious at the hospital gate, they did the most unthinkable when they decided to carry him on an empty cement bag under the brand “blue triangle”, and to the meeting of the Lord! This shocked the entire congregation because the Prophet of the Lord had called Live on Jesus is Lord radio proclaiming that the Lord would heal someone who was bedridden and would be brought on a “blue” mat. And sure enough he came with a “blue triangle” mat! At the Kisumu meeting, they lay him on that empty “blue triangle” cement bag, where he remained lying unconscious for the whole 3 days. However, on the last day just as the Prophet of the Lord was about to leave the meeting and was saying, “Today, the blind eyes have opened, the crippled have walked, the deaf ears have opened, and even HIV/AIDS have been healed here today!” Then all of a sudden, this unconscious boy felt somebody lifting him up and then he woke up from the comatosis! And when he looked around he saw a lot of people and he asked, “Who are these and what are they doing here?” Then he got up with a lot of sweat on him, and then asked, “How did I get here?” That is when he walked straight to the altar and realized he was totally healed with an inserted tube still hanging from his belly! On his head, the heavy scars from that accident are still evident. Glory to God most high!

A year later, he came to thank the Prophet of the Lord and to show Him that he was now leading a normal life and serving the Lord. Halleluiah!

For those that have loved the pursuit of righteousness, just as were the days of Zerubbabel, so will it be in these days of heavenly glory. This is because the church of Christ was on that day of this vision handed down a holy inheritance of heavenly heritage, that will indeed go a long way in distinguishing her from the world, as the true children of JEHOVAH (Eph 5:8-11). It is this latter glory in clusters that is consigned the task of sanitizing the programs of today’s church and transforming the appearance of her salvation into righteousness, even unto the point of being counted worthy of wearing one of these fabulous spiritual wedding rings in the sky. That will be the day when the capstone will finally be placed onto the present-day church’s journey of deliverance, from a more worldly House she is, to the spiritual holy bride she ought to be. This is how the two glorious golden wedding rings have continued to minister hope into the current generation, especially for those who endeavour to sanctify themselves as devout adherents of the righteousness of our God.

“Who dares despise the day of small things, since the seven eyes of the LORD that range throughout the earth will rejoice when they see the chosen capstone in the hand of Zerubbabel?” (Zach 4:10).

What an awesome day that will be when Zerubbabel will behold the capstone that will conclude the life story of today’s church even unto the end of time. However, considering that the account of the wedding rings in that vision highlights the brilliance of God, hence it is the stringency with which it exposes even the slightest of a speck of impurity, that goes a long way to underscore just how high the standard of rapture is. It goes without saying that the church which will be privileged enough to wear those rings will have to observe absolute purity, in which nothing whatsoever may be found lodged on her garment of righteousness. This glorious vision of the two golden wedding rings in the skies above, is in essence the greatest indication yet that GOD Almighty intends to work through His angelic powers in the Holy Spirit, in order to redeem the today’s fallen church. It is a heavenly mission that is intended to achieve nothing less than a glorious bride that befit the image of His exalted Kingdom of holiness.

As the glory of JEHOVAH exuded and breached the limits of heaven in this spectacular vision, GOD was principally saying that in these last days He would come out in His Presence and Tabernacle in the body of His people, in order to exhibit His holy character and do the tremendous exploits that would exceed any other that has been previously done in human history. It is
the presence of GOD in the church that undeniably sanctifies and consecrates the place of visitation. This is the way in which the vision of these two wedding rings was intended to project forth a message of repentance and purification in the present-day church. Thus owing to this historic vision of the great outpour from heaven, the church must now gear up for this reality of perfecting the righteousness of the LORD in her day to day salvation. The feast of Tabernacles that Israel observed in the days of old, is what effectively becomes a spiritual model of this reality. It illustrates GOD's manifest presence functioning through a remnant radical group of His people called the holy elect that chose holiness as a means of preparing the way for the coming of the Messiah. This GLORY that appeared in clusters, is essentially the same GLORY that descended from heaven when the LORD Jesus was baptised in the Jordan, and remains the same GLORY that came down at transfiguration. The only difference being that owing to what is at stake regarding the church's entry into paradise, this GLORY will now manifest in a much greater way. Like did this GLORY transform the raiment of the LORD at transfiguration, so will it cleanse the wedding gown of today's remnant elect that pursue holiness. This clearly explains why on April 2nd, 2004, during the visitation of John the Baptist, his raiment changed to glorious as my raiment and the entire grass around was transfigured. As that GLORY came down it expressed the fullness of the Power of GOD's authority over sin, darkness and decay. It is amazing that this same GLORY is the one that lifted off with the LORD Jesus into a cloud that raptured HIM into heaven, after accomplishing for the church the fête of resurrection from the dead (Acts 1:9). This glory is the mighty latter outpour of the Holy Spirit whom the church is expected to embrace and walk with in these last days prior to the return of the LORD. The opening of the entrance to heaven in this November 1 vision is yet another testimony that the gates of heaven are now open, and GOD HIMSELF is now ready to receive the fruit of the Cross which is exclusively the holy church of Christ, into HIS glorious Kingdom. This is absolutely interesting and precisely synonymous with when one goes to a restaurant, only to find that it is yet too early, and the doors ‘CLOSED’. Most often than not, a written note will be hanging on the glass door from the inside reading “CLOSED”. Even though one were to be able to see the restaurant attendant working around the clock inside, cleaning, putting foods in urns, putting urns in place, and filling them with foods, and lighting candles beneath them etc, one would still not be able to access the restaurant because the sign on the door still reads “CLOSED” and the fullness of time for entry not yet accomplished. However, when the fullness of time comes for opening the restaurant, the owner of that eatery is often seen opening the door, inserting the door-stopper in place, and flipping the written sign to now read “OPEN”. This often means that the restaurant is now ready to receive its guests. It principally talks about the preparedness of the events inside that restaurant for receiving the people for the feast. In the same way, the GOD of heaven is saying that HE has now OPENED the spiritual door into heaven’s venue for the feast of the LAMB. The tables are well dressed and the urns prepared in place with different entries that most definitely befit the occasion. Having said that, the LORD has now pushed the spiritual door-stopper in place, and flipped the spiritual sign into the sky to now read “OPEN”. This fundamentally implies the most celebrated time in the history of the holy bible. GOD ALMIGHTY is saying that Heaven ready to receive the holy church of Christ because the midnight hour is about to strike. This moment is what has been long awaited in the church of Christ world over. As we speak now, GOD ALMIGHTY has as a matter of fact presented His disposition that bespeaks HIS readiness to receive the holy bride of Christ Jesus into HIS holy Kingdom. It directly points to the midnight hour bearing nearer than earlier envisaged.

**When The Skyline Has Shifted**

BY OPENING HEAVEN and releasing the mighty GLORY, the spiritual infrastructure and architecture of the sky underwent a significant shift. It could be said that the sky on that day became disturbed with a plethora of heavenly events that cascaded left and right, up and down, in a manner that can only portray a significant change of dispensation. Heaven was in that vision essentially saying that GOD is today seeking to call out HIS elect church away from
Therefore, in this vision, when the LORD opened heaven and released HIS GLORY, into the expanse, that also became the serious moment of reckoning on the extreme favour that calls on the present-day church to clear up her spiritual vision so as to be able to see this HEAVEN that now stands OPEN in the skies above. Lately, the vision of the church had been seriously impaired and marred with worldly cares of fending for her day to day living. But now the LORD is exhorting the church to lift her head and look up into the sky to see for herself that the skyline has fundamentally shifted and taken on a heavenly countenance of GLORY. Israel in the wilderness had earlier encountered a similar situation in which they had basically lost direction and gone astray. It is GOD's GLORY that caused them to once more focus their eyes into the sky, in order to know which way to go so that they may reach the Promised Land. So it is with today's church, that the LORD has finally raised forth this open gate in the skies above, as her heavenly host to redirect her focus from a more horizontal earthly movement, into a more vertical heavenly orientation. For Israel, when the GLORY lifted they moved on, and when the GLORY settled, they pitched camp. The house of Jacob wouldn't have known which way to go had they continued focusing their eyes horizontally on Egyptian food and the idol golden calf of the earth (Numbers 9:15-23). In so doing, Israel completely obeyed the LORD thereby finally being led into the Promised Land, even though they had never been that way before. So is the church required to equally train her focus onto this open portal in heaven that she may one day enter through the wedding that is being announced by these two glorious rings.

Responsibility

Likewise, today's church is being called upon to remove the veil of her horizontal earthly realm and begin to train her eyes to focus onto the heavenly realm that she may appreciate the promised deliverance that the LORD has purposefully lined up in the sky for the holy elect. This is the only way today's complacent body of Christ will be able to notice that things have dramatically changed in her spiritual skyline, thereby demanding a corresponding action on her part. That the prophetic timeline of GOD ALMIGHTY has changed in heaven is not anything to debate anymore (1Thess4:16-17). The ongoing exhortation of the church on the wedding of the Lamb has never been so powerfully real as it does now. Such a heavenly standing, and instruction as relayed through this monumental vision, is what principally endorses to the church that she still holds a significant share into the glorious Kingdom of GOD, an allotment she ought to be vigorously claiming right now by shaking off the devil's shackles. This spiritual DOOR that is currently open in heaven, is as a matter of fact for the sake of today's fallen church, that if she would one day soon harken to the instruction of REPENTANCE that is being dispensed by the GLORY abound, then she would eventually enter into eternity with GOD. However, this grand visitation does not come without a levy of responsibility being placed on the PULPIT. The delightful narrative of the artfully perfectioned wedding rings, their design, and craftsmanship abound, and the final development of their flamboyant blueprint, is what directly communicates this serious responsibility that today's church of Christ is confronted with. It also underscores just how seriously GOD in heaven treats the preparatory events towards the day of rapture, and HIS
desire to see the church move in tandem with the heavenly sequence of events. By looking at the two identical wedding rings that the LORD on that day positioned in the sky, one is able to right away spot the mirror image of the perfection of GOD ALMIGHTY HIMSELF.

Revealing the Gold
Now that the two wedding rings are so artfully decorated with GOD's honour of a preciously adorned gold medal, the question then becomes; what could the message to the church be? First and foremost, owing to the rank HE beholds in heaven as the King of glory, GOD ALMIGHTY commands that all creation honour and adore HIM, on a daily basis regardless of occasion. Having said that, we distinctly see that when it comes to the day of the wedding of the LORD, GOD HIMSELF commands a festival that is marked with a trumpet blast as never witnessed before. And in the observance of this auspicious event, GOD ALMIGHTY directs that no other sacrifice be offered except one prepared by fire (Lev23:23-25). The procedure employed in the production of pure rich gold of the nature JEHovah GOD presented in the sky on November 1st, 2006, is virtually unfathomable in this realm. However, based on our limited human capacity, there are a few things we can appreciate today regarding the message the LORD is dispensing using the golden rings. Here on earth, the process that leads to the production of pure gold, is one that involves the use of high temperature of heat to dispel the claim impurities launch. This course of high temperature treatment on gold is a prerequisite step that is followed to the letter in order to separate out the different impurity metals that may have defiled the gold. It is common knowledge in the market place that any impurity lodged on gold often reduces its true worth, thereby lowering its original intended value. Because different metals have different melting points, then temperature is always employed to separate impurities from the metals. For the case of gold, the higher the temperature applied during its processing, the more impure metals like iron, zinc, aluminium, bronze melt out. In essence it this high temperature melt-out that separates out the pure gold from impurities. Without the requisite high temperature for decontamination, metals of impurities would not let go of good gold. In like manner, when GOD ALMIGHTY presented the two wedding rings made out of purest rich gold, HE most tacitly implied that from that time henceforth, the church would be required to undergo a stringent purification process. This is the only way in which she would attain her gold-worthiness to qualify as the beholder of one of the two purest golden wedding rings, when that day of rapture befalls. But the process by which the present-day church can become spiritually golden would equally require the purification by fire, except that this time around such a fire would have to come from the Holy Spirit. Only the Holy Spirit fire has the requisite capacity to dislodge spiritual impurities of sin from the present-day church, and separate her out in order to restore her original Calvary worth. As one can imagine, these two golden rings that the LORD displayed in the skies above, must have been purified through the mighty works of the Refiner's heavenly fire of the Holy Spirit.

9 This third I will put into the fire; I will refine them like silver and test them like gold. They will call on my name and I will answer them; I will say, 'They are my people,' and they will say, 'The LORD is our God.'” (Zechariah 13:7-9).

And by this, the LORD is earnestly asking the present-day church together with the pulpit to avail themselves to the reproving fire of the Holy Spirit for the purification of their salvation. Among the impurities that have downgraded the worth of the present-day church of Christ, the love of money and sexual sin tower high. It is for this reason that the Holy Spirit today vouches for a strict and harsh purification process that will be capable of dislodging off from the current church, not only the love of money and sexual sin, but also witchcraft, false prophets, false apostles, homosexuality, lesbianism, worldliness, post-modernism, modern salvation, kingdoms of men, and many other vices that have deteriorated the value of the church. Therefore, it is extremely needful that the present-day church of Christ would move with a sense of urgency to redeem the lost time, and allow the Holy Spirit to purge the dross off her Christianity. Until this happens, the LORD GOD in HIS heavenly courts will have no reason whatsoever to vindicate or exonerate today's christian who have so heavily abused the grace that was freely handed them at Calvary. There is no greater time in history when the purifying fire of the Holy Spirit has been so desperately needed in the church, than it does now, in these last evil days. This is owing to the magnitude of decay that has today set in, as a result of the openly defiling inter-marriage currently ongoing between the church on one part, and sin on the other. Mixing light and darkness in this fashion is a total fallacy, and delusion that indeed amounts to an unwarranted alteration of the GOSPEL TRUTH. While all this intermingling happened in the house, it is all known too well that Christ the head of the church, is completely immiscible with the sin of this world. In fact, the Messiah came to the earth sinned, and exited the scene sinned, in order to establish the benchmark of the Holy Spirit. To this end, the church too was called (2 Cor 6:14-18). It is this kind of stringent sanitization and refinement by the holy fire of the Holy Spirit, that will bear the capacity to enforce a recourse in today's lost church. Only this strategy is what will achieve the much needed second deliverance into today's complacent church. Such a final deliverance from sin was long promised in the bible, and
most especially in these last days as the clock of GOD ticks out in the zero-countdown to the much anticipated rapture of the church. Just as the wedding rings in the sky are heavenly, spiritual, incorruptible, imperishable, immortal, and eternal, so does the LORD expect today’s church to fashion herself up with these virtues of HIS glorious Kingdom. Moreover, with an exhibition of such heavenly splendour in the sky, the Holy Spirit is obviously beseeching the church to embrace the moment, and allow purification that will dress her in a white spotless glorious raiment of equal measure. When that day of reckoning realizes, and the church found ready in a bright and clean garment, that will be the moment when such heavenly splendour as is aboard the wedding rings, will have achieved their intended purpose. However, the wedding gown made out of fine linen, bright and clean is the righteousness of the church (Rev 19:6-9; Psalm 45:12-15). In other words, the CREATOR is saying that all celebrations in the Kingdom of GOD regarding the victory on the Cross, indeed do revolve around the church. Without a righteous church in place, the wedding feast of the LAMB OF GOD will not take place. Thus, one way or the other, there must be a holy righteous and mature spotless bride on that day. The only question being ‘who will this be?’ Considering that time is fast-running out, one would expect that holiness becomes a spiritual marker that today’s church ought to desperately crave for right now as a matter of life and death (Heb12:14; 1 Pet1:15; 1 John 3:3). It is the brilliance of the wedding gown which the church wears, that will on that day emit the fragrance of gladness during the wedding feast of the Lamb in heaven. Beginning with the wedding rings in the sky, we now see that the LORD was essentially alluding to the garment of the church. Through this visitation then, the LORD is fundamentally appraising the church by urging her not to forget her royal inheritance that supersedes all trappings that this earth advances. If only the present-day christian believer would understand the premium that being a royal bride of heaven attracts, most definitely they would not have sold out into stooping too low with the hard-won salvation that Jesus heavily paid for. By placing the wedding rings at the entrance to heaven, the LORD is depicting that only through this wedding should the church enter the Kingdom of GOD. In that way, the LORD has overruled all other human schools of thought that have attempted to classify the coming of the Messiah as either pre-tribulation, mid-tribulation, or post-tribulation rapture. JEHOVAH is essentially saying that all that matters now is that the church be found wearing the right garment of righteousness. That is what preparing the way for the coming of the Messiah entails (1Thess 4:16-17). And for GOD ALMIGHTY to exhibit the wedding rings in the sky, it must be that heaven is definitely today fully prepared and ready for that wedding. In other words, all preparations for that wedding have been finalized for the rapture of the church. Moreover, we can never lose sight of the fact that as the bible describes that, ‘and we will all join the LORD in the sky’, the actual placing of the two wedding rings at that site in the sky most definitely reveals that things are really super ready for that Event.

THE OUTPOUR FROM HEAVEN

W HENEVER THE LORD decides to anoint HIS people, it is often intended to symbolize the beginning and introduction of a sacred and divine influence, to initiate a holy, spiritual and powerful phase of their lives. And the LORD always does so in order to rid HIS people off the evil influences of this wicked world, and draw them closer to HIMSELF. Hence, the act of OPENING HEAVEN on that November 1, 2006, and releasing that outpour of glory from heaven, was principally meant to be an act of anointing the church with the holy anointing oil of heaven into the consecration to a holy and sacred purpose. This act by JEHOVAH was also meant for purposes of preparing a sacred vessel in this hour for the church. In HIS holy oracles, the LORD OF HOSTS had earlier promised this latter anointing through HIS Prophets Joel and Haggai when HE said that HE would outpour HIS Spirit on men. However, the caveat has always been that such a sacred most holy anointing for this last hour could not in any way be associated or mixed with any contamination of the previous apostasy. The LORD in HIS holy standing has always demanded for a new vessel and wineskin that can be the beholder of today’s most treasured end anointing. As we have seen in the narrative of this November 1 vision, when the floodgates of HEAVEN OPENED, the most authoritative GLORY OF GOD breeched that gate and poured out into the dark sky. That was an act that bespoke not only the commencement of the dispensation of OPEN HEAVEN but also GOD’s own demand for a new vessel that would contain such an anointing of great effervescence.

And no one pours new wine into old wineskins. Otherwise, the new wine will burst the skins; the wine will run out and the wineskins will be ruined (Luke 5:37).
PASTORS' CONFERENCE

It is both a blessing and a challenge unto the present-day church, owing to the illicit worship that has of late marooned the church’s wineskin. By releasing such an enormous outpour of HIS glory, the LORD was intent on refreshing and invigorating the worship of today’s desolate and worldly body of Christ. This specific anointing that the LORD brought upon the church on the day of this vision, and using HIS anointing formula from heaven, was meant to bring down the Spirit of GOD upon the church, to qualify them for HIS GOD-given task of preparing the way. When the time to perform HIS public ministry arrived, Jesus Christ too had to be anointed with the Spirit of the LORD without measure, thereby causing HIM to finally ascend and be glorified at the right-hand of GOD THE FATHER. It is this massive anointing which Christ carried without limit, that enabled HIM to break the back of the enemy during HIS fasting in the wilderness.

GOTHENBURG, SWEDEN / June 2013

The PROPHET OF THE LORD Rebuked the Swedish church for tolerating homosexuality, nudity, false prophets, false apostles, liberal theology, and post-modernism in the church. HE TOLD THEM TO PREPARE THE WAY FOR THE COMING OF THE MESSIAH.

JONKOPING, SWEDEN / June 2013

The PROPHET OF THE LORD asked the nation of Sweden to prepare the church for the coming of the Messiah because the GLORY OF THE LORD had visited.

PASTORS’ CONFERENCE

38 how God anointed Jesus of Nazareth with the Holy Spirit and power, and how he went around doing good and healing all who were under the power of the devil, because God was with him (Acts 10:38).

So was the church also anointed with fresh oil on the day of Pentecost as an act of affection from GOD THE FATHER. In this way, GOD in heaven was showing the church that the way to a holy service unto HIM is only by the help of the Holy Spirit. In this way, the Holy Spirit was fully centralized in the life of the church, as the enabler of men. Perseverance, signs and wonders, great healings, and the preachings of Jesus were all possible only through the Holy Spirit. And yet the bible promises that the holy church of Christ which pursues righteousness as her salvation at this hour, would also be exalted with Christ, and be seated with HIM above the higher heavens.

Likewise, GOD THE FATHER has again OPENED HEAVEN and released HIS fresh anointing oil to anoint the church too with the oil of Christ’s affection that she may befit the stature of Christ, come that day of rapture. When the LORD says that ‘all have sinned and come short of HIS glory’ in this generation, what does it imply? Which glory did they lose?

For all have sinned and fall short of the glory of God (Rom 3:23).

As this vision took its place in the sky, and the glory of the LORD outpoured, the LORD intended to use this to restore the glory that the church has fallen short of. It is a visitation that is meant to bring forth the depiction that, into the sinful church, now comes streaming the light of righteousness of GOD. This light of the heavenly glory that chased away the darkness in this vision was essentially meant to symbolize GOD’s plan to restore the moral stature of the church and her conformity to HIS will. In other words, GOD MOST HIGH brought forth the much needed impartation into the body of Christ. It is this impartation that is intended to bring a repentance and holiness revival that would manifest as great unspeakable. By GOD bringing the light of HIS righteousness from heaven on that day, HE purposed to bring today’s immoral and worldly church back into a holy kindred with HIM. When the LORD says that ‘all have sinned and have come short of HIS glory’, it implies that the glorious image of GOD with which man was created in the first blueprint in full communion with GOD, is what was lost due to sin. It is this eternal glory which man came short of, that Jesus

Such a high priest truly meets our need — one who is holy, blameless, pure, set apart from sinners, exalted above the heavens (Hebrews 7:26).

For he raised us from the dead along with Christ and seated us with him in the heavenly realms because we are united with Christ Jesus (Eph 2:6; NEW LIVING TRANSLATION).
came to restore on the Calvary Cross. However, by witnessing the current fall of apostasy in the church, the LORD again desired that mankind who was guilty of sin, polluted with it, and condemned for it, may once more be baptised in the Cloud of HIS glory in order to be vindicated for the Kingdom of GOD. The LORD on that day released the glory of inner heaven in order to baptize the nations into a holy heritage with HIM. When the present-day church came short of the glory of GOD, that can only mean that the body of Christ stopped glorifying GOD. To glorify GOD was the only purpose for which the church was created and given the ability to accomplish. However, now through sin, the church is once more incapable of glorifying GOD, thereby implying that only through the grace of GOD will she be able to glorify HIM again. Therefore, on that day of November 1, we clearly see that GOD ALMIGHTY indeed poured HIS grace again in the form of the latter anointing in order to restore the church’s moral righteousness. That is the only way in which the present-day fallen church can offer a more pure and perfect worship that deserves glory and praise from GOD. The glory that heaven poured on that day, is GOD’s glory that is meant to restore everlasting life back to the present-day Christian that she may be a partaker come the day of rapture. Without this visitation, we see that today’s church has sinned and consequently lacked the kindred of GOD. Therefore, the glory that the LORD released on that November 1, 2006 upon opening heaven, was meant to install the Joel dispensation of latter glory into the church.

The Day of the Lord
28 “And afterward, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your old men will dream dreams, your young men will see visions. 29 Even on my servants, both men and women, I will pour out my Spirit in those days (Joel 2:28-29).

CONCLUSION

ONLY A GENUINE REPENTANCE revival can redirect the course of today’s church of Christ that has drifted away from the values of the Cross, and separated from GOD ALMIGHTY. It is unfortunate that this late in the day, backsliding in the church has continued to be common practice among the believers because of the rampant spiritual decay that has overpowered the pulpit. The Christian lifestyle has now settled for a mediocre form of salvation that tolerates immorality, and worldliness. By not preaching the life-transforming gospel of the Blood and the cross, the present-day church has consequently not only drifted away from the true Word of GOD, but also from the Holy Spirit, her only helper. Like Israel in her most defiant days, this fall has almost denied the church her most treasured eternity with GOD that Jesus so dearly purchased for her at Calvary. It is incredible that even with such a spiritual inheritance at stake, today’s church of Christ has continued to wander away from the will of GOD by rejecting holiness, and instead chosen to embrace false doctrines of prosperity, money, sow-a-seed, fake miracles, false apostles, liberal theology, homosexuality and immorality. However, GOD ALMIGHTY in HIS endless mercies has released this major vision of the wedding rings in order to make a final attempt at rescuing today’s disobedient church back to HIS heavenly path. This persistence of the LORD to draw the church back to HIS righteous highway of holiness, achieved its greatest height on that November 1st, 2006 when HE unleashed HIS heavenly glory together with a plethora of eternal virtues, that HE intended to impart on today’s church. Therefore, the events that transpired on that mighty November 1st, 2006 vision, will forever remain engrained in our minds, both in heaven and on earth, as GOD’s last-ditch effort to convince today’s church that a holy separated life, however unpopular, is the only way to the Kingdom of GOD.

TWO BLIND GIRLS HEALED AT ONCE

These two blind girls stunned the meeting with their story. The girl in white was born totally blind, while the one in brown, had normal eyes until the onset of the post-election violence when someone hit her left eye with a club and split open the left eye. When they heard that the PROPHET OF THE LORD was coming to Kericho, and since they did not have fare and their parents had left them behind, the one-eyed girl in brown decided to pass by the home of the one who was totally blind and led her on foot to the meeting of the LORD. THEN TO THE SHOCK OF ALL PEOPLE, THE LORD DECIDED TO HEAL BOTH OF THEM AND FULLY RESTORED THEIR SIGHT!
